

THE MASTER OF ARCHITECTURE II PROGRAM – THE COOPER UNION

In order to secure your place in the Master of Architecture II Program at The Cooper Union for Fall 2016:

1. Please accept the offer of admission in a letter or email to Dean Mitchell Lipton at lipton@cooper.edu. It is imperative that you inform Dean Lipton whether you accept or decline our offer of admission as soon as possible.
2. You must include a check or money order for **\$1,175** made payable to The Cooper Union. This deposit covers one third of the annual student fee (**\$800**) and the lab fee (**\$125**), as well as a one-time graduation fee (**\$250**). For payment options by credit card, please contact The Business Office at 212-353-4140 or contact Susan Donohue at donohu@cooper.edu.
3. You must register for every semester that you are in attendance, even if it is only for Thesis.
4. Please complete Citizenship Status Verification form and return it with appropriate documentation, i.e. birth certificate; passport; or copy of permanent resident card (front and back).
5. If you are an International Student – neither a U.S. citizen nor a permanent resident– you are required to pay **\$1,005** prior to August 15, 2016. The annual International Fee is \$2,010 and the second installment of \$1,005 will be billed to you in late fall.
6. The Cooper Union requires that all students show proof of and maintain healthcare coverage. International students are required to purchase The Cooper Union Student Health Insurance. You will receive details about this in June. In the meantime, you may view details at cirstudenthealth.com/cooper. We estimate the health insurance cost at **\$1,500**. Note that all students must be covered by health insurance before attending class in the fall.
7. New Student Health Forms are required by law and must be returned to Cooper Union by July 1, 2016.

**ALL FORMS AND ADDITIONAL INFORMATION CAN BE
FOUND AT:
COOPER.EDU/ADMISSIONS/NEWSTUDENTS**
