

# OHNY Weekend Call for Volunteers

OCT  
15-16

Are you passionate about architecture, design, and history? Open House New York invites you to join our team of more than 1,000 volunteers who help make Open House New York Weekend one of New York's most exciting events!

#### WHERE does this event take place?

Over the course of one weekend each October, OHNY opens up hundreds of sites across New York City's five boroughs, ranging from historic homes to cutting edge infrastructure, with engaging talks and tours by architects and other design professionals.

#### HOW can I be a part of the OHNY Weekend?

Our volunteers guarantee the success of OHNY Weekend. You can sign up to volunteer for a shift (typically 4 hours) on either Saturday, October 15, or Sunday, October 16, 2016.

#### WHAT will my role be?

As a volunteer, you will help out at one of the many extraordinary sites and tours, welcoming visitors from New York and around the world, assisting with check-in, managing lines, and helping to make this the best OHNY Weekend ever!

#### WHAT are the benefits of volunteering?

You will get behind-the-scenes access to some of New York's most architecturally and culturally important sites. You will also receive a Volunteer Passport that gives you and a friend front-of-the-line access to all non-reservation sites during OHNY Weekend, as well as a limited edition OHNY t-shirt.

#### WHO organizes OHNY Weekend?

OHNY Weekend is organized by Open House New York, a 501(c)3 non-profit organization that presents an active schedule of events about architecture, design, and planning throughout the year. For more information, visit [www.ohny.org](http://www.ohny.org).
