

If your Forum Grades are not appearing in the gradebook

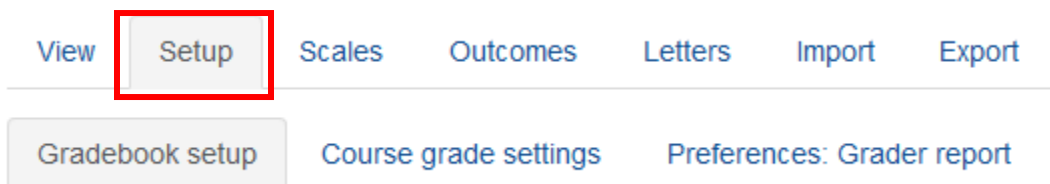

Assuming you have ratings properly configured for your forum, the problem might be that your forum gradebook item is locked. To fix this, do the following:

Turn editing on for your course.

Click the Grades link:

Click on the setup tab:

Scroll through the list of graded items until you find your discussion forum. Click on the Edit link and choose Edit settings.

 Lesson Three Discussion Forum A	<input type="checkbox"/>	1.167	7.00	Edit ▾
 Lesson Three Discussion Forum B	<input type="checkbox"/>	1.333	8.00	 Edit settings
				 Hide

On the next screen, under Grade Item / Minimum grade, uncheck "Locked."

▼ Grade item

Item name		Lesson Three Discussi
Grade type	<input type="radio"/>	Value
Maximum grade	<input type="radio"/>	7.00
Minimum grade	<input type="radio"/>	0.00
	<input type="checkbox"/>	Hidden <input type="radio"/>
	<input checked="" type="checkbox"/>	Locked <input type="radio"/>

Click Save changes. On the Recalculating grades page, click Continue. Your grades will now be in the gradebook.
