Moving Items in Gradebook

Moving a Single Item

If you have an item in the gradebook, but it is not in the appropriate category you can move it by following these simple steps.

1. In the course, find the Gear icon and choose the Gradebook Setup link:

Moving Multiple Items

If you have multiple items in the gradebook that need to be moved, follow these steps:

- 1. Access the gradebook **Setup** page (instructions above).
- 2. Underneath the **Select** column (far right), check the boxes of the items you wish to relocate.
