No old business was brought to the floor.

NEW BUSINESS

A member of the Senate brought up a request from some part-time faculty with regards to expanding Senate membership to members of CUOP. The Senate entered a brief discussion of the issues/technicalities surrounding such a proposal, including the remark that a change in the Senate’s composition would require consultation with the CUFCT.

SCHEDULING SUBSEQUENT MEETING / AGENDA ITEMS

The membership entered a discussion concerning the scheduling of the second regular meeting of Fall 2015. It was noted that Thursday 5-6PM is not an adequate meeting time since the Art and Architecture schools do not have club hours scheduled for that time slot. Tuesday November 3, 12-2PM was suggested as a tentative proposed time, subject to the consideration that it would be best to hold this meeting after the Consent Decree is approved by the District Court of New York, so that the Administration would be in position to discuss its plans for moving the institution forward according to the agreements between CSCU and the Board of Trustees.

The following were noted as important potential agenda items:

(1) Presidential search updates
(2) Updates regarding composition of the Board of Trustees
(3) Update from the Administration regarding the current status of the lawsuit
(4) CUOP’s proposal for having part-time faculty representation on the Faculty-Student Senate.

Meeting adjourned at 5:40pm
