Greetings,

After reviewing the 2-year Interim Progress Program Report (IPR) submitted by The Irwin S. Chanin School of Architecture at The Cooper Union, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report.

In addition to the mandatory information required by the 5th-year IPR in 2021, the report must also demonstrate progress toward meeting the SPC C.3 Integrative Design deficiency. Please note that Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
