

Go to Teams and click on the cogwheel icon:

Select Manage Teams and then expand 'Archived':

Manage teams Teams Analytics

Search teams 

▸ **Active (12)**

▾ **Archived (1)**

Name	Description
 Exp0720_EID-353-1-Mechatronics	EID-353-1-Mechatronics

All Expired and Archived Teams will be listed there.

If you are still not seeing all of them, please try browsing to <https://portal.office.com>, launch Teams web version and check in the same location.

Sometimes if the desktop application is not updated some of the archived classes will not show.

You can update your Teams desktop application by following these instructions:

<https://support.microsoft.com/en-us/office/update-microsoft-teams-535a8e4b-45f0-4f6c-8b3d-91bca7a51db1>
