Fall 2022

TO: New Students
The Irwin S. Chanin School of Architecture
of The Cooper Union

FROM: Hayley Eber, Associate Dean
School of Architecture

SUBJECT: Calculus Transfer Credit Evaluation

The transcripts of entering students will be reviewed to determine if a student may be eligible to receive credit for ARCH 103 Calculus & Analytic Geometry.

Students may be eligible for CREDIT for ARCH 103 if they have:

- a. completed a year of high school AP (Advanced Placement) Calculus BC, with a grade of "B" or better and received a grade of 4 or 5 on the AP exam, as clearly documented by their high school transcript and AP exam score report.
- b. completed a college/university-level class that is equivalent to ARCH 103 and received a grade of "B" or better. The student must provide an official college/university transcript as well as a syllabus from the course completed, including textbook used and weekly topics, in order to be considered for transfer credit.

Students may be eligible for a WAIVER of the ARCH 103 requirement if they have:

completed a year of high school AP (Advanced Placement) Calculus AB, with a grade of "B" or better*** and received a grade of 4 or 5 on the AP exam, as clearly documented by their high school transcript and AP exam score report.

Students may be eligible to take the ARCH 103 placement exam, for a WAIVER of the ARCH 103 requirement, if they have:

- a. received a grade of "B" or better*** in the Calculus A level exam
- b. received a grade of "B" or better*** in a full-year HL Calculus course in an IB curriculum
- c. received a grade of "B" or better*** in a full-year Calculus course in grade 13 of a secondary school
