

Leave of Absence, Withdrawals and Reinstatements:

Leave of Absence:

A student who has taken a **Leave of Absence** may apply for readmission provided that the absence has been for no longer than two semesters. Following a **Leave of Absence** of more than two semesters, a petition must be made to the Academic Standards Committee (ASC) via the Dean of Engineering, or by letter addressed to the chairperson of the Academic Standards Committee.

Withdrawal:

A student who has **Withdrawn** may apply for readmission to the Dean of Engineering provided that the absence has been for no longer than two semesters, with a provision to return after making a formal presentation.

A student who has **Withdrawn** can petition the ASC following an absence of more than two semesters, but within two years before the request for readmission. A student who wants to be readmitted after a lapse of more than two years must reapply as a transfer student.

Both Leave of Absence and Withdrawal:

If a **medical situation** is a factor, a consultation with the Dean of Students is required. The petition must be made in writing addressed to the Dean of Students. Letter must also contain a full explanation for the request, student’s current address, and signature.
