## HSS Minor Advisory Worksheet – Architecture

Architecture Students in good academic standing with advance permission who complete a minimum of 15 upper-division credits in a specific field of liberal arts may qualify for a Minor in that field of humanities and social sciences. Approval of the dean of the school of architecture is required for the Minor.

Below is a template form to be used by the student and the HSS Academic Advisor to ensure that the requirements for the HSS Minor are fulfilled. In the semester prior to graduation, this worksheet will be submitted to the Registrar's Office to verify that the requirements for the minor have been met. The Faculty of Humanities and Social Sciences should also receive a copy for its records.
