

The Cooper Union Locker Policy and Agreement

It is the policy of The Cooper Union to provide a locker to any Cooper Union student who requests a locker. By registering for a locker, the student agrees to comply with the regulations set forth in this agreement. Anyone found in violation of this agreement will forfeit their locker; the locker will be emptied; and the contents will be discarded.

1. Students will only be allowed one locker in either The Foundation Building or 41 Cooper Square and only with the school in which they are enrolled.
2. The use of a Cooper Union lock is required on the locker. The combination of each lock will be maintained by Security.
3. The Cooper Union lock is property of the school and must be kept with the locker the person registers for. When the person no longer requires use of the locker, the lock must be left on the locker.
4. The use of a locker by a person other than to whom it is registered is prohibited.
5. Use of a personal lock other than the assigned Cooper Union lock is prohibited and is subject to be clipped at any time.

7. If a student would like to relocate their locker, they cannot do so on their own. They must contact their respective School or Facilities so they can be assigned a new locker.
8. Returning students must comply with their individual school's policy regarding summer storage.

9. When a student no longer requires the use of a locker, the locker and lock will be reassigned, and the student must make the appropriate school aware when the locker is vacated.
10. Lockers need to be emptied upon completion of your studies at Cooper Union. If the locker is not emptied, it will be cleaned out and the contents will be kept for two weeks before discarding. Graduating seniors must clean out their locker by no later than May 31st. After May 31st, items left in the locker will be discarded.
