Under the policy Cooper Union defines a covered individual as any student that has notified Cooper Union's Registrar's office that they are eligible to receive Chapter 33 benefits in writing prior to the start of the term in which they plan to use those benefits.

IV Process:

- **Determine eligibility:** <https://www.va.gov/education/eligibility/>

Students can direct questions about benefit eligibility and coverage to the VA Educational Benefits line at 1-888-442-4551. The VA will provide the student with a *Certificate of Eligibility* (COE).

- **Apply:** <https://www.va.gov/education/how-to-apply/>

The student will receive a Certificate of Eligibility (COE), or award letter, in the mail, if their application to the VA has been approved. Submit the COE to Cooper Union's VA certifying official, the Registrar. Students may either mail the original Certificate of Eligibility to: Office of the Registrar, Cooper Union, 41 Cooper Square, New York, NY 10003, or email it to registrar@cooper.edu

The Office of the Registrar will be responsible to forward a copy of the COE to the Financial Aid office for their records.

Students will only need to submit the Certificate of Eligibility once unless there has been a change in eligibility. If there has been a change in eligibility the student will need to contact the VA to receive an updated COE which they will need to submit to the Registrar's office.

- **Certification:**

The VA requires that Cooper Union certify the dates of enrollment for veterans seeking educational benefits. In order to initiate certification and the institution's ability to process benefits, the student is responsible to notify Cooper Union's Registrar of their intent to enroll for the year. The student can notify Cooper Union of their intent to enroll by submitting the **Notice of Student Enrollment** to the Registrar prior to the start of the academic year.

- Students can email their Notice to registrar@cooper.edu with the subject line, "Notice of Student Enrollment."
- Please note that the student must submit the Notice of Student Enrollment annually to the Registrar.
- The copy of the Certificate of Eligibility provided by the VA only needs to be submitted initially or if there has been a change in eligibility.
