PREAMBLE

This Agreement is made between The Cooper Union for the Advancement of Science and Art (hereinafter referred to as The Cooper Union) and the Cooper Union Federation of College Teachers, Local 3163, NYSUT, AFT, AFL-CIO (hereinafter referred to as the CUFCT).

WHEREAS, the CUFCT was certified by the National Labor Relations Board as the exclusive bargaining agent for certain employees of The Cooper Union, as defined in Article One of this Agreement, and

WHEREAS, as a result of this certification, The Cooper Union recognizes the CUFCT as the exclusive collective bargaining representative for these employees, and

WHEREAS, the parties are mutually concerned about maintaining suitable wages, hours and other terms and conditions of employment which are consistent with The Cooper Union's obligation to provide uninterrupted service, and

WHEREAS, The Cooper Union and the CUFCT have met and bargained collectively about wages, hours, and other terms and conditions of employment,

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement, The Cooper Union and the CUFCT agree as follows:

ARTICLE ONE – RECOGNITION

Pursuant to Certification of Representative in Case No. 2-RC-16460 issued by the National Labor Relations Board, The Cooper Union recognizes the CUFCT as the sole and exclusive bargaining agent of those employees of The Cooper Union as designated by the Certification of Representative dated October 24, 1974 (copy of which is attached hereto as Exhibit A) and, in this regard, the Agreement shall apply to those employees only, subject to the understanding, however, that the CUFCT shall also be entitled to become the exclusive bargaining agent of those additional employees of The Cooper Union as agreed to in writing by both parties.

ARTICLE TWO – ACADEMIC FREEDOM and ACADEMIC FREEDOM GRIEVANCE PROCEDURES

- A. Purpose.** Academic freedom is essential to the functioning of The Cooper Union as an institution of higher education. Academic freedom is fundamental for the protection of the rights of the Faculty in carrying out their professional responsibilities and of the rights of the students to freedom in learning.
- B. Publication.** The Faculty member is entitled to full academic freedom in research, consulting, and other creative activities and in the publication and display of the results. Such academic freedom shall include the display and publication of work done by a student of a Faculty member which is done under the Faculty member's direction, guidance or advice but any such display, publication, etc., shall be made only after obtaining the consent of, and with appropriate attribution to, the student. The Cooper Union also agrees that if it wishes to include contributions by bargaining unit member(s) in grant applications and project proposals, it will not do so without informing the bargaining unit member(s) and obtaining his/her or their permission.

- C. **Classroom.** The Faculty member is entitled to freedom in the classroom in discussing his or her subject.
- D. **Institutional Censorship.** The Faculty member is a citizen, a member of a learned profession, and an employee of The Cooper Union. When speaking or writing as a citizen, any Faculty member is free from institutional censorship or discipline, but should, when appropriate, also make every effort to indicate that he or she is not acting as a spokesperson for The Cooper Union.
- E. **Freedom of Discussion.** A Faculty member is entitled to full freedom of discussion, without reprisal, in all Cooper Union bodies within the framework of the established rules of those bodies.
- F. **Librarians.** To the extent applicable, the principles stated in this Article shall apply to Librarians.
- G. **Academic Freedom Grievance & Arbitration Procedures.**
1. The following Academic Freedom Grievance and Arbitration Procedures (“Academic Freedom Grievance Procedures”) shall apply exclusively to any grievance based, in whole or in part, on a claimed violation of this Article Two, paragraphs A through F, inclusive, (“Academic Freedom Grievance”). The Academic Freedom Grievance Procedures should not be construed to limit informal discussions between a member of the bargaining unit and representatives of The Cooper Union which may be used for the purpose of resolving a complaint before it achieves the status of a formal Academic Freedom Grievance, on the understanding that no resolution shall be made which is inconsistent with the terms and conditions of this Agreement.
 2. The phrase Academic Freedom Grievance as used in these Academic Freedom Grievance Procedures shall mean any dispute concerning the application, interpretation, or reasonableness thereof, or other claimed violation of any substantive or procedural term or condition of Article II, paragraphs A through F, inclusive.
 3. An Academic Freedom Grievant means: (1) an individual member of the bargaining unit; (2) a group of members of the bargaining unit having the same Academic Freedom Grievance; or (3) the CUFCT.
 4. An Academic Freedom Grievance shall be processed in accordance with the following successive formal steps, as applicable:

Step 1. An Academic Freedom Grievance shall be presented in writing by the Academic Freedom Grievant or designee to the Dean of the Academic Freedom Grievant’s Faculty or to the Library Director, as appropriate, within 45 days from the date on which the alleged Academic Freedom Grievance occurred or within 45 days from the date on which the Academic Freedom Grievant reasonably should have known about the matter being grieved, whichever is earlier. The Dean or Library Director, as appropriate, shall meet with the Academic Freedom Grievant and/or his or her designee within 5 working days from the day of original presentation of the Academic Freedom Grievance. The appropriate Dean or

Library Director shall respond to the Academic Freedom Grievance in writing within 10 working days from the date of this meeting. If the Academic Freedom Grievance is not satisfactorily settled or withdrawn at Step 1 of these Academic Freedom Grievance Procedures, it shall be processed to the provisions of Step 2.

Step 2. Within 10 working days of receipt of the Step 1 decision issued pursuant to these Academic Freedom Grievance Procedures, the Academic Freedom Grievance shall be presented by the Academic Freedom Grievant or designee to the Chief Academic Officer, or designee. At this time, the Academic Freedom Grievance shall set forth specifically the facts on which it is based and shall also designate each portion of this Article Two, Paragraph A through F, inclusive, that it is claimed has been violated. Within 5 working days of receipt of the Step 2 Academic Freedom Grievance, the Chief Academic Officer or designee shall meet with the Academic Freedom Grievant and/or designee to discuss the Academic Freedom Grievance and possible resolutions of it. Within 10 working days from the date of this meeting, the Chief Academic Officer or designee shall respond to the Academic Freedom Grievance in writing. An Academic Freedom Grievance which claims that a senior administrator (i.e., the President, the Chief Academic Officer, a Dean or the Library Director) has violated any provision of this Article Two, paragraphs A through F, inclusive, which is not satisfactorily settled or withdrawn at Step 2 of these Academic Freedom Grievance Procedures, may be processed by the CUFCT to Step 3 of these Academic Freedom Grievance Procedures (“Academic Freedom Arbitration”). When the Academic Freedom Grievance does not claim that a senior administrator has violated the provisions of this Article Two, A through F, inclusive, then the final step shall be Step 2 of these Academic Freedom Grievance Procedures.

Step 3. If the CUFCT elects to process the Academic Freedom Grievance to Academic Freedom Arbitration, then it must notify The Cooper Union of its intention to do so in writing within 20 working days of receipt of the Step 2 Academic Freedom Grievance Procedures decision. The Academic Freedom Grievance shall be submitted to Academic Freedom Arbitration in accordance with the following:

- a. The expense of the Academic Freedom Arbitration shall be borne equally by the parties.
- b. If The Cooper Union fails to respond at any Step of the Academic Freedom Grievance Procedures, the CUFCT and/or the Academic Freedom Grievant may appeal the Academic Freedom Grievance to the next higher Step, except that only the CUFCT may process an Academic Freedom Grievance to Step 3 Academic Freedom Arbitration.
- c. The time limits set forth in this Article Two may be extended by written agreement of the parties.
- d. Any Academic Freedom Grievance not initiated or appealed in accordance with these provisions shall be deemed waived and may not be pursued thereafter.

- e. If an Academic Freedom Grievant which is not the CUFCT fails to appeal according to the time limits contained in the formal Steps of these Academic Freedom Grievance Procedures, The Cooper Union shall so notify the CUFCT, and the CUFCT shall have an additional 10 working days after such notification to appeal the Academic Freedom Grievance to the next Step, as applicable.
- f. As used in the Academic Freedom Grievance Procedures, the references to “working days” shall be deemed to exclude holidays, Saturdays, Sundays, and any day on which The Cooper Union is in recess, with the exception that for the purpose of calculating time periods relating to any Academic Freedom Grievance involving the discharge of a member of the bargaining unit, recess times shall not be excluded.
- g. Consistent with the reasonable needs of The Cooper Union, all reasonable steps shall be taken to schedule hearings under these Academic Freedom Grievance Procedures at a time and place which will afford a fair and reasonable opportunity for the Academic Freedom Grievant and witnesses to be heard. Any member of the Bargaining Unit whose work is interrupted by reason of participation in these Academic Freedom Grievance Procedures has the responsibility to inform the appropriate Dean or Library Director, as applicable, of the nature of such interruption, and to take all reasonable steps to ensure that his or her responsibilities to The Cooper Union are fulfilled.
- h. At all formal Steps of these Academic Freedom Grievance Procedures, an Academic Freedom Grievant and/or designee shall have the right: (i) to be present at all Academic Freedom Grievance Steps, including the Academic Freedom Arbitration hearing, when applicable; (ii) to give testimony; (iii) to call witnesses to give testimony on his or her behalf; (iv) to cross-examine witnesses; (v) to be represented by counsel or other designee of the Academic Freedom Grievant’s choosing; except that The Cooper Union agrees that it will not recognize any employee or Faculty organization other than the CUFCT, who or which is the representative of any other Faculty or teachers’ organization, internal or external to The Cooper Union, which represents or seeks to represent faculty in collective bargaining.

H. When the Academic Freedom Grievant is not represented by the CUFCT at any Step of the Academic Freedom Grievance Procedures, The Cooper Union shall give formal notice within a reasonable time prior to the scheduled meeting to the CUFCT of the claimed Academic Freedom Grievance and the time and place of any hearing. The CUFCT may be present and state its views whenever the decision on the Academic Freedom Grievance would involve the application or the interpretation of this Article Two or have impact on the terms and conditions of employment. No resolution of an Academic Freedom Grievance will be made which is contrary to the terms and conditions of this Article Two or to this Agreement.

- I. If the Academic Freedom Grievant is not the CUFCT, The Cooper Union will send copies of all appeals, decisions, and resolutions to the CUFCT at substantially the same time the Academic Freedom Grievant is notified.
- J. The Academic Freedom Grievant and the CUFCT shall have the right to all relevant data and information necessary to resolve the specific Academic Freedom Grievance.
- K. The Cooper Union and the CUFCT will accept Carol Wittenberg as the designated Arbitrator for all arbitrations under this Agreement.
- L. When any individual member of the bargaining unit or the CUFCT elects to pursue any Academic Freedom Grievance pursuant to these Academic Freedom Grievance Procedures, any such individual or the CUFCT, as the case may be, thereby waives the right to pursue relief for the same claim in any court, administrative agency or other forum in which the individual or CUFCT could otherwise properly make such a claim, until the Academic Freedom Grievance pursued under these Academic Freedom Grievance Procedures has been finally adjudicated as defined by applicable law. In addition, if the CUFCT or any member of the bargaining unit commences an action or proceeding before any court, administrative agency or other forum which could have been the subject of an Academic Freedom Grievance, the right to pursue the same claim as an Academic Freedom Grievance pursuant to these Academic Freedom Grievance Procedures is thereby waived.
- M. The Arbitrator shall limit his or her decision to the application and interpretation of the provisions of this Article Two, A through F, inclusive, and shall have no power to add to, subtract from, or otherwise modify the provisions of Article Two or the remainder of this Agreement in arriving at a decision of the Academic Freedom Grievance presented for resolution.
- N. The Arbitrator shall be bound by the rules of evidence as defined in the Federal Rules of Evidence and, in addition, shall render any decision in accordance with New York law.
- O. The Arbitrator's Award shall determine solely whether there was any violation of the provisions of this Article Two, paragraphs A through F, inclusive, or that there was not such a violation. In the event that the Arbitrator finds that there was no such violation, then the Award shall be binding and final. In the event that the Arbitrator finds that there was a violation, then the Arbitrator's Award shall be transmitted to the President who shall rectify or correct the violation in a manner that is consistent with the finding of the Arbitrator and with the terms of this Agreement. In the event that the CUFCT is not satisfied with the action taken by the President to rectify or correct the Academic Freedom violation, or if no action is taken within ninety (90) days, then the CUFCT may return to the same Arbitrator who will then be empowered (subject to the limits set forth in subsection Q below) to fashion a remedy for the violation previously found. Once the Arbitrator decides the issue of relief, the Award shall be binding and final. Either party shall have the right to go to court to seek to enforce or vacate a final and binding Award.
- P. The burden of proof in any Academic Freedom Grievance under these Academic Freedom Grievance Procedures shall be on the person, persons or entity (i.e., the CUFCT) claiming the Academic Freedom violation.
- Q. In the event that an Academic Freedom Arbitration involves any issue relating to appointment, reappointment, promotion or tenure consideration or deliberation and the

Arbitrator finds that a violation of Academic Freedom has occurred, then the Arbitrator shall issue an Award providing for reconsideration by The Cooper Union of the issue in a manner consistent with the Arbitrator's Award, subject to the understanding that the Arbitrator shall have no authority over or regarding the President's authority to make a final decision in matters involving appointment, reappointment, promotion or tenure.

ARTICLE THREE – ACADEMIC CALENDAR

The annual academic calendar shall be prepared by the President of The Cooper Union in consultation with the President of the CUFCT (or their designees). The Vice President of Enrollment will publish the agreed-upon calendar no later than the last day of the Fall Semester prior to the subsequent Academic Year(s). Absent agreement with the CUFCT (i) there shall be no changes in the number and duration of recesses and in the number of weeks of the academic year, (ii) the location of such recesses and weeks shall not change by more than two (2) weeks in either direction, and (iii) the academic calendar shall not begin more than seven (7) days prior to Labor Day and shall not end after May 31.

ARTICLE FOUR – NON-DISCRIMINATION

- A. Membership in the CUFCT.** Neither The Cooper Union nor the CUFCT shall interfere with, restrain, or coerce the employees in the bargaining unit because of membership or non-membership in the CUFCT.
- B. Statutory Non-Discrimination.** Neither The Cooper Union nor the CUFCT shall discriminate against any employee with respect to matters of hiring, continuance of employment, or any terms or conditions of employment of any employee in the bargaining unit because of reasons relating to sex, gender, gender identity, race, age, national origin, religious preference, sexual orientation, marital status, disability, physical handicap, political belief, activity, or association, as defined by applicable law.

ARTICLE FIVE – DIVERSITY

- A.** The Cooper Union works to create a diverse and inclusive community where students, staff, and faculty can participate in a free and respectful exchange of ideas without having to overcome barriers of discrimination. The Cooper Union seeks to attract more members of traditionally underrepresented groups for all of its open positions.

In general, consistent with past practice, a broad search must be conducted for full- time faculty positions anticipated to last for more than one year, unless the Chief Academic Officer or his / her designee determines that the position should be considered a Faculty Recruitment promotional opportunity restricted to candidates from the current employees of the Cooper Union.

Once a search has been authorized, the search committee will meet with Cooper Union's designated EEO Officer to discuss the writing of the job posting and to develop an appropriate and effective recruiting strategy for the position. Strategies should include steps designed to ensure that qualified applicants from underrepresented groups are made aware of The Cooper Union's faculty job openings, which may include, but not be limited to, advertising in professional journals or other publications with national circulations and advertising on listservs, websites and social media for appropriate underrepresented

groups, including historically black colleges and universities and various women's and minority academic directories.

Following the conclusion of the search, the Chair of the search committee will meet with the EEO Officer to review the search process.

- B. Postings.** Bargaining unit position vacancies and new positions will be posted in an electronic manner accessible to all unit members.

ARTICLE SIX – COMPENSATION

A. Wages

- 1. First Year Implementation: 2019-2020 Academic year.** Effective September 1, 2019 the increase in base salary shall be 2.5%.
- 2. Second Year Implementation: 2020-2021 Academic year.** Effective September 1, 2020 the increase in base salary shall be equal to 2.5%.
- 3. Third Year Implementation: 2021-2022 Academic year.** Effective September 1, 2021 the increase in base salary shall be 2.5%.
- 4. Fourth Year Implementation: 2022-2023 Academic year.** Effective September 1, 2022, the increase in base salary shall be 2.5%.
- 5. COLA Increase: N/A.¹**

- B. Base Salary.** Once a base salary has been accepted by an individual during the hiring process, it can only be adjusted according to the terms of this Agreement. The base salary used in Section A above will include any salary increase as a result of promotion or adjustment to a new minimum pursuant to Sections D and E below that took effect on or before the start of the academic year.

- C. Cost of Living Index.** The “cost-of-living index” referred to above is the Bureau of Labor Statistics Consumer Price Index for All Urban Consumers (CPI-U) for New York-Northeastern New Jersey. In the event that this index is unavailable, another source of such information mutually agreeable to the CUFCT and The Cooper Union shall be used.

- D. Minimum Annual Salaries.** Effective September 1, 2022, the minimum base salary for each full-time Faculty classification for the purposes of administering this Agreement is as follows: **Professor**, \$120,000; **Associate Professor**, \$100,000; **Assistant Professor**, \$90,000. Effective September 1, 2022, the minimum base salary for each Librarian classification for the purposes of administering this Agreement is as follows: **Librarian**, \$90,000; **Associate Librarian**, \$80,000; **Assistant Librarian**, \$70,000.

An agreed upon compression adjustment shall be made (effective September 1, 2021), only during this contract period, to provide an increase in base salary to bargaining unit members whose base salary has fallen behind base salary vs. years-of-experience. The parties

¹ **Historical COLA provision:** In prior contracts (but not contained in this agreement), the annual wage increases provided a "cost of living" provision which stated "However, in the event the increase in the cost of living index for May ____ over May ____ is greater than 5.0%, then the increase in base salary on September 1, ____ shall be 4.5%."

identify and agree to new salary adjustment intervals according to the following groups based on years of experience and rank within the Faculties and Library:

- i. Assistant Librarians with less than 3 years: \$72,000 - \$75,000;
- ii. Assistant Professors with less than 3 years: \$94,000 - \$97,000;
- iii. Assistant Professors with more than 3 years: \$103,000 - \$106,000;
- iv. Associate Professors with 5 to 9 years: \$110,000 - \$113,000;
- v. Associate Professors with 10 or more years: \$116,000 - \$119,000;
- vi. Full Professors with 10 to 19 years: \$127,000 - \$132,000;
- vii. Full Professors with 20 to 34 years: \$132,000 - 136,000;
- viii. Full Professors with 35 or more years: \$136,000 - \$139,000.

In the case of each such group, faculty salaries *below* the corresponding interval (on September 1, 2021) shall be brought to within the interval (as agreed to by the parties), by way of the compression adjustment.

E. Promotions. Effective September 1, 2010, a bargaining unit member who is promoted to a higher rank effective at the beginning of an Academic Year will receive a base salary increase of 7.5% effective at the beginning of that Academic Year unless the promoted individual is eligible at that time for a minimum base salary adjustment pursuant to Section D of this Article, as applicable, in which event the promoted individual shall receive the greater of (a) a 7.5% increase in his or her base salary or (b) an increase raising the promoted individual's base salary up to the minimum for the rank to which he or she is promoted as established by Section D of this Article. When a librarian is promoted any resulting salary adjustment shall be made effective the month during which the promotion is made.

F. Cooper Union Professor Status

- 1. Effective January 1, 2015 the designation of "Cooper Union Professor" will be created. This status will recognize consistent and continued excellence in teaching, scholarship, and service along with current and future contributions to positive student experiences.
- 2. An individual faculty member must be nominated for the designation. The President will have the sole authority to call for such nominations. When they are called, nominations are to be submitted to the appropriate Dean by April 1 of that year.
- 3. To be eligible, a faculty member must be a tenured full professor with at least 10 years of service at the Cooper Union as a full-time faculty member.

4. Nominations will be considered by a committee consisting of one faculty member elected from each of the School of Architecture, the School of Art, the School of Engineering, and the Faculty of Humanities and Social Sciences, together with three members appointed by the administration. The committee will review the record of each nominee and make its recommendation to the President by November 10 of the given year.
5. The President will have the sole authority to accept the nomination and designate a faculty member as a Cooper Union Professor. This decision is not subject to the collective bargaining agreement's grievance procedure.
6. Individuals given the designation of Cooper Union Professor will hold the designation for a five-year term. During the five-year term the Cooper Union Professor shall receive an annual stipend equal to 7.5% of the faculty members' salary. At the conclusion of the five-year term, the faculty member will be eligible to be re-nominated for the designation (if the President is seeking nominations at that time) and will be evaluated in the same manner as all other nominees.

G. Faculty/Administrative Service

1. **Initial Appointment.** In the case of an individual initially hired as a full-time member of the Faculty on or after September 1, 1988 and, at the same time, in an administrative or other capacity which disqualifies the individual from eligibility for membership in the bargaining unit, the initial rate of pay established for any such individual shall be divided into two parts, one part of which shall reflect the amount allocated to that individual's position as a full-time member of the Faculty ("base Faculty salary") and the other part of which shall reflect the amount allocated to the individual's administrative position.

1. **Consent of Faculty Member for Review.** No full-time Faculty member who is a member of the bargaining unit will be reviewed for promotion without his or her consent.
2. **Bargaining Unit Committees on Promotion.** The members of each Faculty as defined by applicable Governance will carry out their responsibilities for making recommendations to the President in accordance with the Governance of each such Faculty, subject to the understanding, however, that for the purpose of making substantive recommendations in matters involving promotion, bargaining unit members who are members of the full-time Faculty in the School of Architecture, the School of Art or the Faculty of Humanities & Social Sciences will separately elect within the particular School or Faculty, by ballot, a distinct committee of bargaining unit members (who are of rank senior to the member under consideration) to consider promotions and make separate recommendations, as applicable. In the School of Engineering there will be a separate committee from each department to consider promotions within the particular department and make separate recommendations. One year of full-time service is required for Faculty members to be eligible to serve on any committee considering matters of promotion. Each such Departmental Committee shall be comprised only of those bargaining unit members who are of rank senior to the member under consideration. In addition, full-time Faculty who are members of the bargaining unit in each department will separately elect by November 1st of each academic year, by ballot, a tenured member to represent the department on a distinct committee composed of one bargaining unit member from each department to consider matters of promotion which arise during that academic year and to make separate recommendations. Any recommendation made by any committee under this provision shall be made in a reasonable and timely fashion as prescribed by the appropriate Dean but no later than November 10th.
3. **Advance Notice of Promotion Review.** A member of the full-time faculty who is applying for promotion should submit his or her application in writing to the appropriate Dean by April 1st. He or she will receive timely notice advising him or her of the type of documents and materials to be used in the review and will be given reasonable opportunity to submit materials for consideration, including materials to be considered by external re-viewers, which should be available for review by the day after that year's Commencement Ceremony. Recommendations based on review of these documents and materials and made by bargaining unit Committees on Reappointment must be submitted to the appropriate Dean by November 10th.
4. **Promotion Review Decision.** Any Faculty member reviewed for promotion will be notified of the decision to grant or deny promotion in writing by March 15th of the academic year immediately following the academic year in which the application was made. This notification will include an explanation of the reasons for the decision.

5. **Meetings with the Dean Regarding Promotion.** A formal meeting will be held between each full-time Faculty member who is a member of the bargaining unit being considered for promotion and the appropriate Dean to discuss and evaluate work performance. This meeting will occur at a time appropriately in advance of the time that the decision on promotion would be made. Except in extraordinary circumstances, each such full-time Faculty member will be kept informed in writing by the appropriate Dean of all official evaluations of work performance within 30 days after completion of such an evaluation.
6. **Grievances Regarding Procedure.** If a full-time Faculty member who is a member of the bargaining unit about whom a decision has been made on matters involving promotion believes that any procedure referred to above was not followed, the full-time Faculty member may process the claim through Article Thirty-Five (Grievance & Arbitration), but such processing is restricted solely to processing issues of procedure except in the case of any grievance involving, in whole or in part, the application or interpretation of Article Two (Academic Freedom & Academic Freedom Grievance Procedures) which may be processed pursuant to the provisions of the Academic Freedom Grievance Procedures as defined therein, only.
7. **Procedures Not Covered by Governance.** In the event that a Governance of any particular Faculty does not contain established procedures to carry out any of the provisions of paragraph 2 of this Section and it is necessary to consider a matter involving promotion, then, until such time as that particular Faculty adopts such procedures in accordance with the terms of its Governance, as applicable, the Dean of any such Faculty shall call for an election, by ballot, in which the full-time members of the particular Faculty who are members of the bargaining unit shall elect a committee of bargaining unit members to carry out the provisions of paragraph 2 of this Section, to the extent necessary. The Dean shall not serve as a member of the committee or participate in its deliberations. Committee recommendations shall be made to the appropriate Dean in a reasonable and timely fashion as prescribed by that Dean.

D. Tenure

1. **Consent of Faculty Member for Review.** No full-time Faculty member who is a member of the bargaining unit will be reviewed for tenure without his or her consent, however, a final decision to grant or deny tenure must be made no later than December 1st of the sixth consecutive year of full-time service.
2. **Bargaining Unit Committees on Tenure.** The members of each Faculty as defined by applicable Governance will carry out their responsibilities for making recommendations to the President in accordance with the Governance of each such Faculty, subject to the understanding, however, that for the purpose of making substantive recommendations in matters involving tenure, bargaining unit members who are members of the full-time Faculty in the School of Architecture, the School of Art or the Faculty of Humanities & Social Sciences will separately elect within the particular School or Faculty, by ballot, a distinct committee of bargaining unit members to consider matters of tenure and make separate recommendations, as

applicable. In the School of Engineering there will be a separate committee from each department to consider matters of tenure within the particular department and make separate recommendations. One year of full-time service is required for Faculty members to be eligible to serve on any committee considering matters of tenure. Each such Departmental Committee shall be comprised only of those bargaining unit members who are tenured. In addition, full-time Faculty who are members of the bargaining unit in each department will separately elect by November 1st of each academic year, by ballot, a tenured member to represent the department on a distinct committee composed of one bargaining unit member from each department to consider matters of tenure which arise during that academic year and to make separate recommendations. Any recommendation made by any committee under this provision shall be made in a reasonable and timely fashion as prescribed by the appropriate Dean but no later than November 10th.

3. **Advance Notice of Tenure Reviews.** A member of the full-time Faculty who is a member of the bargaining unit and who is in his or her sixth consecutive year of full-time service and is applying for tenure should submit his or her application in writing to the appropriate Dean by April 1st. He or she will receive timely notice advising him or her of the type of documents and materials to be used in the review and will be given reasonable opportunity to submit materials for consideration, including materials to be considered by external reviewers, which should be available for review by the day after that year's Commencement Ceremony. Recommendations based on review of these documents and materials and made by bargaining unit Committees on Tenure must be submitted to the appropriate Dean by November 10th.
4. **Tenure Decision.** Tenure is a guarantee of continuous employment for a full-time Faculty member who is a member of the bargaining unit until resignation, retirement or dismissal for adequate cause. A final decision to grant or deny tenure will be made no later than December 1 of the sixth consecutive year of full-time service. If tenure is denied in the sixth consecutive year of full-time service, the member of the full-time Faculty who is a member of the bargaining unit will be granted a terminal full-time appointment for the academic year after the academic year in which the final decision to deny tenure is made.

If a non-tenured full-time Faculty member is initially appointed after October 1st, then the tenure clock will begin as of the following semester.

Early Tenure — In addition to being considered for tenure during the sixth consecutive year of full-time service, a member of the full-time Faculty who is a member of the bargaining unit may apply or be sponsored for tenure only once prior to the sixth consecutive year of full-time service ("Early Tenure"). Notification of a decision to grant or to deny Early Tenure shall be given within six (6) months from the time that the application for Early Tenure is made. Notification of a decision to deny tenure will include an explanation of the reasons for the decision.

5. **Meetings with the Dean Regarding Tenure.** A formal meeting will be held between each full-time Faculty member who is a member of the bargaining unit being considered for tenure and the appropriate Dean to discuss and evaluate work

performance. This meeting will occur at a time appropriately in advance of the time that the decision on tenure would occur. Except in extraordinary circumstances, each such full-time Faculty member will be kept informed in writing of all official evaluations of work performance within 30 days after completion of such an evaluation.

6. **Grievances Regarding Procedure.** If a full-time Faculty member who is a member of the bargaining unit about whom a decision has been made on matters involving tenure believes that any procedure referred to above was not followed, the full-time Faculty member may process the claim through Article Thirty-Five (Grievance & Arbitration), but such processing is restricted solely to processing issues of procedure except in the case of any grievance involving, in whole or in part, the application or interpretation of Article Two (Academic Freedom & Academic Freedom Grievance Procedures) which may be processed pursuant to the provisions of the Academic Freedom Grievance Procedures as defined therein, only.
7. **Procedures Not Covered by Governance.** In the event that a Governance of any particular Faculty does not contain established procedures to carry out any of the provisions of paragraph 2 of this Section and it is necessary to consider a matter involving tenure, then, until such time as that particular Faculty adopts such procedures in accordance with the terms of its Governance, as applicable, the Dean of any such Faculty shall call for an election, by ballot, in which the full-time members of the particular Faculty who are members of the bargaining unit shall elect a committee of bargaining unit members to carry out the provisions of paragraph 2 of this Section to the extent necessary. The Dean shall not serve as a member of the committee or participate in its deliberations. Committee recommendations shall be made to the appropriate Dean in a reasonable and timely fashion as prescribed by that Dean.

ARTICLE ELEVEN – FACULTY TEACHING ASSIGNMENTS

- A. **Primary Teaching Assignments.** The primary full-time teaching assignments of a member of the full-time Faculty is considered to be nine teacher credit hours per week per semester. Teaching loads may vary for a given semester if the average over three semesters is nine teacher credit hours per week per semester and if agreed upon in advance by the CUFTC and The Cooper Union. New members of the full-time Faculty must be given three teacher credit hours release in their first semester. Effective September 1, 2017, all new full-time faculty members will receive nine (9) credits of course release within their first six (6) semesters as full-time faculty members at the Cooper Union to provide new faculty with additional time to establish themselves as a scholar. These nine (9) credits of course release will be distributed at the discretion of the appropriate Dean. This distribution may vary if a new faculty member is teaching courses that are not three (3) teacher credits. If it is not possible to schedule the new faculty member for nine (9) credits of course release within their first six (6) semesters, the course release(s) may be scheduled in his or her fourth academic year.

Teacher credit hours are defined as follows: (a) **Lecture course and seminar hours** – one (1) teacher credit hour per class contact hour per week per semester; (b) **Laboratory**

Projects course hours – one teacher credit hour per class contact hour per week per semester (a Laboratory Project course is one in which the academic credit assigned to the course equals the number of class contact hours per week per semester); (c) **Laboratory course hours** – one (1) teacher credit hour per class contact hour per week per semester (a Laboratory course is one in which experiments are performed by students during class and for which the amount of academic credit assigned to the students in the course is less than the number of actual contact hours); (d) **Large Lecture course hours** – three (3) teacher credit hours per class contact hour per week per semester (a Large Lecture course is one in which the lecture component is given to more than 60 students in a large lecture hall).

In addition, the primary full-time Faculty teaching assignments of a member of the full-time Faculty in the School of Art shall consist of a maximum of three courses each semester which are separately described in The Cooper Union's catalogue ("Catalogue Course") or three sections of any such Catalogue Course (or combination thereof) with a total of not less than nine contact hours. In the event of the Dean of the School of Art approving a full-time Faculty member's schedule in which the total amount of contact hours for the three courses exceeds nine, the Faculty member shall receive "overload" compensation as specified in this Article Eleven and subject to the eligibility requirements specified in this Article Eleven.

Any faculty member may request one or more teacher credit hours of course release for a semester upon receiving a grant or gift for future creative scholarship. The cost of the course release will be determined annually on a per teacher credit hour basis for the entire institution by Cooper Union in its sole discretion. Such grants or gifts may come from an external source (all external sources must be approved by Cooper Union) or through an internal competitive grant process established by Cooper Union in accordance with the terms set forth in Article Eleven H. Approval of the course release is at the discretion of the President and the appropriate Dean. Faculty are not permitted to be scheduled for a teaching overload in any semester when receiving course release under this provision.

- B. Team Teaching.** Team Teaching is defined as a single course taught by multiple faculty members, where each faculty member assigned to the course teaches a portion of the course and therefore only receives credit for that portion of the course that they are responsible to teach. Within the Team Teaching model for a course, one faculty member (a lead teacher) may have full responsibility for all students and for attendance in all classes and will receive the corresponding full credit load while other faculty appointments will team teach and share the course credit load accordingly.
- C. Collaborative Teaching.** Collaborative Teaching is defined as a single course taught by multiple faculty members, where each faculty member has equal responsibility to work with each student enrolled in the assigned course during each week of the semester. Normally, two faculty members will be assigned to a Collaborative Teaching course, but at the discretion of the Dean(s), depending on the breadth of the course's topical coverage or other compelling rationale, the number of instructors can be increased. Provided that the class ratio of registered students to faculty teaching the course is at least three to one (3:1) – without rounding – at the conclusion of the Add/Drop period for the respective semester, the College will allocate one teacher credit for each student credit earned in the course to each faculty member approved for a Collaborative Teaching assignment.

Otherwise, the course will count as an Independent Study in accordance with the stipulations in Article Eleven K. The Dean(s) will be responsible to ensure that each CUFCT member appointed for either full or partial credit for a course performs their duties and does not subsequently shift their duties to another faculty member.

- D. Hybrid Teaching.** Hybrid Teaching is a course that has a combination of Collaborative Teaching and Team Teaching appointments. *Hybrid Teaching* will include a minimum of two faculty teaching collaboratively and thereby sharing the same responsibilities under the 3:1 ratio (provided for in Collaborative Teaching). Additional faculty may be appointed to each the same course under the Team Teaching model. Such additional faculty will split responsibilities and therefore be allocated teacher credit for only their portion of the total course credit.
- E. General Rules for Team, Collaborative and Team Teaching Models.** The Faculty may make recommendations to the Dean(s) for the number of faculty to engage in Collaborative Teaching and Team Teaching of a single course, however, the Dean(s) will have the authority to make any final decision on staffing for any course.

The Dean(s) will determine the number of courses taught in a Collaborative Teaching modality during any single semester.

Notwithstanding any of these provisions, involvement in a course taught according to a Collaborative Teaching, Team Teaching, or Hybrid Teaching model is wholly voluntary on the part of the Faculty Member.

- F. Masters Thesis Advisement.** (a) Masters Thesis Advisement vis-à-vis Primary Teaching Assignments – Credit for graduate student thesis advising shall not be counted for the purpose of calculating a full-time Faculty Member's Primary Teaching Assignment; (b) Compensation for Graduate Student Thesis Advisement. (i) Thesis Advising Credit – a full-time Faculty Member shall receive one-half of a thesis advising credit for advising a graduate student at the beginning of the graduate student's advisement and the other half upon completion of the second semester of advisement. At least one faculty member who is a member of the bargaining unit is to participate in advisement on each graduate student thesis. If two or more persons (excluding members of the Administration) are assigned to advise on the thesis, a bargaining unit member who is so assigned shall receive only a proportionate share of the payment that he or she would have received were he or she the only person assigned to advise. For example, if two persons are advising, the distribution of stipends for sharing thesis supervision would be as follows: adjunct + bargaining unit member, the bargaining unit member gets 50% of the stipend; research personnel + bargaining unit member, the bargaining unit member gets 50% of the stipend; staff member + bargaining unit member, the bargaining unit member gets 50% of the stipend; administrator + bargaining unit member, the bargaining unit member gets 100% of the stipend; (ii) Maximum Number of Thesis Advising Credits – no more than eight one-half or four thesis advising credits shall be credited to any one full-time Faculty Member in any one academic year unless additional credits are specifically authorized in writing and in advance by the Dean. (c) Reporting Requirements – subject to verification by the Dean, it is the responsibility of each Faculty Member to report in writing to the Dean the number

of thesis advising credits earned by the Faculty Member each semester; **(d) Payment Rates, Dates, Units, and Maximum.** Payment for any thesis advising credit to a Faculty Member shall be per one-half thesis advising credit and shall be made by supplementary check in either January for first semester credit or in June for second semester credit, as applicable, at the following rates: effective September 1, 2018, Professor, \$1,852.38 per one-half thesis advising credit; Associate Professor, \$1,718.02 per one-half thesis advising credit; and Assistant Professor, \$1,1581.36 per one-half thesis advising credit. Effective September 1, 2019, these rates shall be increased by the same percentage as base salaries are increased pursuant to Article Six, Section A above.

G. Master of Architecture II Summer Semester: Teaching assignments for courses taught during the summer semester of the Masters of Architecture II program may be part of a Faculty Member's primary, full-time teaching assignments as specified in Article Eleven A, or shall be compensated as an Overload Course as specified in Article Eleven E.

H. Course Overloads. Subject to obtaining a mutual agreement between a Faculty Member and his or her Dean and subject to the limitation that a Faculty Member may be assigned to teach only four additional teacher credit hours per semester in excess of the Primary Faculty Teaching Assignments ("Overload Course"), a Faculty Member who teaches an Overload Course shall be compensated for up to a maximum of four teacher credits per semester for teaching the Overload Course, counting from 18 teacher credits if the maximum of 18 teacher credits per year is exceeded, as follows: effective September 1, 2018, (a) Professor, \$3,790.90 per teacher credit hour; (b) Associate Professor, \$3,515.27 per teacher credit hour; and (c) Assistant Professor, \$3,233.91 per teacher credit hour. Effective September 1, 2019, these rates shall be increased by the same percentage as base salaries are increased pursuant to Article Six, Section A above.

To be eligible for Overload compensation a faculty member must, in the two regular academic semesters immediately preceding the semester in which Overload compensation is sought, have taught a combination of courses/credits equal to the annual Primary Faculty Teaching Assignment. In addition, and without limiting or modifying the preceding sentence, Faculty members are not eligible to be scheduled for a course overload in a given semester if they have received a course release as a result of being a grant recipient in the two regular academic semesters immediately preceding.

I. Department Chairpersons in the School of Engineering.

1. Selection Process and Term of Service. The full-time faculty members of each of the named Departments shall elect by closed ballot one from among their own number, who shall serve as Department Chair of that Department for a three-year term. In the event, however, of a tie vote, the departmental chairmanship shall be awarded to the candidate of the department with the most seniority at Cooper Union. Seniority at Cooper Union, for the purposes of this Paragraph of this Article, shall be defined as the faculty member having the most years as a bargaining unit member. The next elections of Department Chairs will be in February 2013 for terms beginning in September 2013.

2. Reduction of Teaching Load. In recognition of the work of the position, each elected Chair shall have his or her teaching load reduced by three teacher credit hours per semester for the duration of the term of office.

3. Stipends. In addition to the above, Chairs will receive an annual stipend for the work associated with being a Department Chair as follows: effective September 1, 2018, Department Chairs in the School of Engineering shall receive a stipend of \$7,841.32 effective September 1, 2019, these rates shall be increased by the same percentage as base salaries are increased pursuant to Article Six, Section A above. Chairs of the Chemical Engineering, Civil Engineering, Electrical Engineering, Mechanical Engineering will receive an additional stipend of \$500 per academic year for the additional work associated with preparation for accreditation review by ABET. These stipends do not become part of the base salaries of the individuals who serve as Department Chairs.

J. Compensation for the Chairperson of the Admissions Committee in the School of Art. Effective September 1, 2018, the Chairperson of the Admissions Committee in the School of Art shall receive the following stipend: \$2,532.23 per semester; effective September 1, 2019, the stipend shall be increased by the same percentage as base salaries are increased pursuant to Section A above. The Chairperson shall also receive a one-course (three hour) reduction in teaching load for each semester.

K. Awarding of Internal Competitive Grants for Future Creative Scholarship:

The Cooper Union may establish grant processes at its sole discretion, and the selection of recipients will be made by the President and the appropriate Dean in accordance with the procedures set forth in this paragraph. All such processes must be competitive, and the Cooper Union's decision as to whom receives the grant shall be neither arbitrary nor capricious.

For purposes of this Section and Section Eleven A, "Future Creative Scholarship" may include, but is not limited to, research, writing, curriculum enhancements, program development, developing digital/web-based academic materials, and exhibition creation, preparation, and curating.

To assure equitable treatment of all members of the full-time Faculty, the procedures followed in each case will be consistent with the following principles:

- 1. Advance Notice of Internal Funding Opportunity.** All members of the full-time Faculty who are eligible to compete as per the established grant criteria for an internal funding opportunity will be notified at least 30 days prior to the deadline for proposal submission. Notification will comprise a grant solicitation that outlines the goals of the program, the criteria for selection, and the guidelines for submission of the proposal and budget request.
- 2. Submission of Proposals.** All applicants must submit a written proposal for review in a manner as set forth in the announced guidelines.
- 3. Committees on Proposal Review.** Proposals will be reviewed by a five (5) person committee consisting of two non-unit administrators (selected by the Cooper Union administration), two full-time faculty members (selected by the CUFACT, one of whom will be a CUFACT executive committee member responsible for the appropriate faculty constituency), and the appropriate Dean. A single committee may review multiple proposals. This committee will present its recommendation

to the President, who, along with the appropriate Dean, shall make the final decision on the awarding of the grant.

4. **Notice of Grant Awards.** All members of the bargaining unit will be notified of successful grant award recipients. Unsuccessful candidates will be notified in writing by the President's office with a brief explanation as to the reasons why the proposal was not accepted. Copies of such notifications and the various committee recommendations will be provided to the CUFCT. Successful and unsuccessful applicants may apply for further grants in the future.
- L. **Student Advisement – Undergraduate Courses and Projects: (1) Projects.** Advising about undergraduate independent study projects, whether or not undertaken by the student for academic credit, is wholly voluntary on the part of the Faculty member and shall not be counted for the purpose of calculating a full-time Faculty member's Primary Faculty Teaching Assignment; **(2) Courses.** Teaching an undergraduate course which is described in the current course catalog as an independent study course, undertaken by the student for academic credit, is wholly voluntary on the part of the Faculty member and shall not be counted for the purpose of calculating a Faculty member's Primary Faculty Teaching Assignment, as long as no more than five students are involved. If more than five students register to take the course as independent study then, with the agreement of the appropriate Dean, a full course must be scheduled, and the teacher credit hours count towards a full-time Faculty member's Primary Faculty Teaching Assignments.
- M. **Length of Faculty Appointments.** Faculty appointments are for nine months each academic year, beginning September 1 in the fall and ending one week after Commencement in the Spring. During this time, Faculty members will carry out the full range of their professional responsibilities. When classes are in recess, Faculty members will not unreasonably withhold consent to administrative requests to participate in the business of the Faculty provided that such requests are made with adequate notice to and prior consultation with the Faculty member(s) involved as to scheduling.
- N. **Maximum Course Loads for Non-Bargaining Unit Faculty.** The administration of The Cooper Union shall limit to thirty (30) the number of non-bargaining unit faculty members who teach a maximum of two (2) courses in a fall semester and two (2) courses in a spring semester of the same academic year.

Otherwise, non-bargaining unit faculty members shall be limited to teaching a maximum of two (2) courses in any one semester and no more than three (3) in any academic year.
- O. **Posting of Extra Work Assignments.** All auxiliary assignments available to bargaining unit members shall be posted in an electronic manner accessible to all bargaining unit members.
- P. **Administrators and Staff Members – Maximum Teaching Loads.** Administrators and staff members shall be limited to teaching either one (1) Catalogue Course as defined in paragraph A, of this Article or one (1) course as defined in paragraph B, of this Article, per semester.
- Q. **Visiting Professors.** Full-time visiting professors of any rank are limited to two courses per semester and no more than 12 credits per year for a maximum of 2 years or 3 years if funded by a grant. The maximum number of courses taught by all visiting professors in

aggregate shall be no more than 20 courses with no more than 10 courses within any one faculty in any academic year.

- R. Syllabi.** All courses are required to have a syllabus. The syllabus should be available to registered students, as well as upon request from the respective academic Dean's Office, no later than the day of the first class meeting. The Faculty of each School and HSS will determine the content of course syllabi, provided such syllabi comply with the standard elements and distribution requirements established by the Dean. Policies concerning standard elements and distribution of syllabi will incorporate input from the Faculty, and standard Cooper Union academic policies will be limited to an incorporation by reference and a link to where such policies can be seen in their entirety.

ARTICLE TWELVE – FACULTY RESPONSIBILITIES

All full-time faculty members are expected to perform non-teaching duties such as advising students, maintaining office hours and participating on committees as part of their normal responsibilities during the Academic Year.

- A. Staying Current.** It is each Faculty member's responsibility to stay current on effective pedagogical practices, student learning, research and scholarship, and their respective professional, technical, and/or creative fields.
- B. Sessions Focused on Pedagogical Practice.** Bargaining unit members are expected to attend a session focused on pedagogical practice once every three years. The Cooper Union will fund faculty participation in such with moneys separate and distinct from those used for Professional Development as defined in Article Seven E.
- C. Campus Presence.** Faculty members are ordinarily expected to be on campus three (3) days per week and hold a minimum of three (3) office hours per week excluding "club hours" and the hours shall be posted. With consultation and consent of the Dean, professional activities relating to Staying Current (Section A) may allow faculty to be less present on campus. In addition, Academic Advisors will include daily office hours for two days prior to and during each student registration period.
- D. Joint Faculty Meetings.** Bargaining unit members are expected to attend up to three (3) joint faculty meetings each academic year. An agenda for each such meeting is to be circulated at least two weeks in advance of the date of this meeting.
- E. Professional Obligations.** Faculty members are expected to be in compliance with federal, state, and local laws as well as the requirements of external accreditation organizations.

ARTICLE THIRTEEN – TEMPORARY ADMINISTRATIVE ASSIGNMENTS OF BARGAINING UNIT MEMBERS

When a pre-existing academic (administrative) position becomes vacant and the Administration elects to fill it on a temporary basis with a member of the Full-Time Faculty, the following shall apply:

- A. **Voluntary Assignment.** The assignment shall be voluntary on the part of the Faculty member.
- B. **Temporary Assignment.** Effective September 1, 2014, temporary assignments to administrative positions will be no longer than two (2) contract years (plus, with respect to a non-Library position, the remaining part of a contract year, when the bargaining unit member takes over the position in the middle of a contract year), except in extraordinary circumstance such as a failed search to fill the permanent position. In such circumstances, the administrative position may only be extended if a legitimate search to fill the position on a full-time basis is continuing. With respect to the current Acting Library Director, this time limit shall start with the 2014-2015 contract year.
- C. **Maintenance of Benefits.** The individual shall lose no benefits that would have continued or accrued had they remained in the Unit.
- D. **Compensation for Acting Dean.** When the pre-existing position temporarily being filled is that of the Dean, the additional compensation shall be as follows: Effective September 1, 2016 total additional compensation for Acting Dean will be \$60,000 per contract year. Stipends for Acting Deans, Acting Associate Deans, and Acting Assistant Deans will be allocated as follows: 25% of the stipend is to be received for work in the fall semester, 25% is to be received for work in the spring semester, and 50% is to be received for work in the summer.
- E. **Compensation for Acting Assistant or Associate Dean.** When the pre-existing position temporarily being filled is that of Assistant Dean or Associate Dean, then the additional compensation shall be as follows: Effective September 1, 2016 total additional compensation for Acting Assistant or Associate Dean will be \$40,000 per contract year. This payment will be pro-rated for each pay period worked in the administrative position. Stipends for Acting Deans, Acting Associate Deans, and Acting Assistant Deans will be allocated as follows: 25% of the stipend is to be received for work in the fall semester, 25% is to be received for work in the spring semester, and 50% is to be received for work in the summer.

ARTICLE FOURTEEN – BARGAINING UNIT MEMBERS SERVING ON CAMPUS-WIDE COMMITTEES

The Cooper Union and the CUFACT agree that an institution of higher education, by its very nature, requires a high degree of collegial interaction among faculty and administration if it is to succeed in its mission to provide quality education to its student body. The parties recognize that the continued success of The Cooper Union depends, in large part, on the ability of the administration to receive the professional advice of members of the full-time faculty on a variety of matters. To this end, the parties agree as follows:

- A. **Negotiation of Campus-wide Committees and Ad Hoc Campus-wide Committees.** The Cooper Union agrees to bargain with the CUFACT concerning all campus-wide committees on which bargaining unit members serve.
- B. **Election of Bargaining Unit Members to Campus-wide Committees and to Ad Hoc Campus-wide Committees.** When the Administration elects to include, on a campus-wide committee, one or more members of the Bargaining Unit who are expected to

represent the views of their respective faculties or the librarians, the Bargaining Unit member(s) who are to serve on the committee will be elected by the Bargaining Unit members of their respective faculties or librarians.

- C. Professional Advice of Bargaining Unit Members.** The Cooper Union recognizes that all Bargaining Unit Members, when serving on any campus-wide committee(s) at Cooper Union, do so as representatives of their own interests and/or the interests of other Bargaining Unit Members.

The Cooper Union recognizes that the function of all Bargaining Unit Members on all campus-wide committees is to render professional advice only, and that such advice shall not be construed as being managerial in nature within the meaning of the National Labor Relations Act. The parties agree that the advice of Bargaining Unit Members, whether given orally, in writing, or by ballot, is advisory only and at no time shall be considered determinative. The decision to implement any or all recommendations of any committee shall rest exclusively with the administration of The Cooper Union.

D. Intra-Faculty Committees

- 1. Constitution of Committees and Voting Rights.** With the exception of the Administrative and Planning committees of the Schools and/or faculties and the Administrative Councils or Review Board (as described in Article Fourteen F) as shall exist from time to time, all other committees (whether ad hoc or standing) shall be constructed so that Bargaining Unit members will constitute a majority of the voting membership. The purpose of each committee shall be clear and so stated. (a) Voting shall be restricted to the established voting membership as described in paragraph 2 below; (b) Voting within any committee shall be by recorded vote; (c) Ex Officio members, if any, shall not vote.
- 2. Election of Bargaining Unit Members.** Election of Bargaining Unit members to committees shall be by Bargaining Unit members only. (a) Voting shall be by recorded vote; (b) Nominations of Bargaining Unit members shall be made only by Bargaining Unit members.
- 3. Parliamentary Procedures.** All committees will follow Robert's Rules of Order whenever practical. (a) Each committee shall elect a Chairperson; (b) Each committee shall elect a secretary; (c) Each committee shall keep minutes, which shall be available to any interested parties; (d) Each committee shall proceed by recorded vote.
- 4. Administrators and Librarians as Members.** (a) Membership of any Administrator on any committee shall be in an ex Officio capacity only. Ex Officio members shall not vote; (b) Bargaining Unit Librarians may be members of any committee if any faculty so desires, except that a full-time Librarian shall be an elected ex Officio member of any and all curriculum committee(s).
- 5. Matters Outside the Purview of the Committee.** No committees shall deal with matters of Appointment, Re-appointment, Promotion or Tenure of Bargaining Unit members except as specifically stated in Article Nine and Article Ten above, or any other matters as covered by this Agreement.

6. **Participation By Full-Time Faculty Members.** All full-time faculty members are expected to participate on committees as part of their normal responsibilities during the Academic Year (see Article Twelve). Their role shall be to give professional advice only as described in Section C above.
7. **Committee Meeting Times.** Committees shall not be called on to meet between semesters of a given academic year or between June 1 and August 31 of the calendar year except in the event of urgent cause and with the consent of the CUFCT and the Administration.
8. **Changes in Composition and Scope, Formation of New Committees, Fractional Voting, and Right to Consult.** The following five items shall hold for all Intra-faculty committees: (a) The composition of the membership of a committee may change; (b) The scope of a committee may change; (c) New committees may be formed; (d) Fractional voting is acceptable for non-full-time faculty; (e) Committees shall be free to consult whomever they choose.

E. Standing Committees

 - g. **Meeting Minutes.** Minutes shall be kept, and all substantive issues shall be determined by recorded vote.
3. **Faculty/Student Senate.**
 - a. **Matters Outside the Purview of the Senate.** The Faculty/Student Senate shall concern itself with current pertinent issues which do not impinge upon the Terms and Conditions of employment of Bargaining Unit Members as covered in this Agreement;
 - b. **Chairperson.** The Chairperson and the Vice-Chairperson of the Faculty-Student Senate shall be elected by the Senate from among its members for a term of one year. In the absence of a Chairperson the President of The Cooper Union may call a meeting of the Faculty/Student Senate into session. In that case the first order of business shall be the election of a Chairperson and a Vice Chairperson.
 - c. **Advisory Nature of Forum.** The Senate shall be advisory in nature and shall have the right to invite selected parties to join in discussions as ex-officio (non-voting) members as appropriate; individual members of the Senate may propose guests to the Chairperson.
 - d. **Senate Membership – Regular Members.** The regular members of the Senate shall consist of the following: (i) A full-time librarian; (ii) Two faculty members elected by the Faculty of the School of Engineering; (iii)

Two faculty members elected by the Faculty of Humanities and Social Sciences; (iv) Two faculty members (at least one of whom shall be a member of the full-time Faculty) elected by the Faculty of the School of Architecture; (v) Two faculty members elected by the Faculty of the School of Art (at least one of whom shall be a member of the full-time faculty); (vi) Two undergraduate students from the School of Engineering; (vii) Two students from the School of Art; (viii) Two undergraduate students from the School of Architecture. The Librarian and Faculty members shall each serve for a two-year period. Students shall serve for a one-year period. The election process for full-time faculty members and librarians shall be as stipulated in Section D-2 of this Article. Each of the student members is to be nominated and chosen annually by a majority portion of the school-wide student representative body on which he or she sits. The results are to be certified by the Dean of Students.

- e. **Senate Membership – Ex Officio Members.** The ex-officio members of the Senate shall be: (i) The President; (ii) The Vice President for Finance, Administration and Treasurer; (iii) The Dean of the School of Art; (iv) The Dean of the School of Architecture; (v) The Dean of the School of Engineering; (vi) The Dean of the Faculty of Humanities and Social Sciences; and (vii) The Library Director.
- f. **Meeting Minutes.** The Secretary shall bear responsibility for the minutes. Minutes of the meetings shall be distributed to all present. Approved minutes will be made available to The Cooper Union community in the Cooper Archives.
- g. **Agenda.** As required, an agenda shall be presented to Senate members in a timely fashion prior to the meeting. Members of the meeting shall be invited to place items on the agenda for discussion.
- h. **Parliamentary Procedures.** Basic parliamentary procedures shall be followed when feasible.
- i. **Establishment of Ad Hoc Committees.** The Senate shall be permitted to establish standing and ad hoc committees. This is subject to Article Fourteen Section (B) above.

- F. **Administrative Councils and Review Board.** When the Administration elects to include, on a campus-wide Council or Review Board, one or more members of the Bargaining Unit who are recruited for their expertise and/or interest in the work of the Council or Review Board then the Bargaining Unit member may agree to work on the Council or Review Board for a period of three years. He or she will be compensated for the work according to Article Six-H-12. If a Bargaining Unit Member chairs an Administrative Council or Review Board he or she will be compensated according to Article Six-H-13. A Bargaining Unit Member may agree to a further three-year term on a Council or Review Board if requested by the Administration.

To the extent to which the work of Councils and Review Boards leads to recommendations concerning academic matters, including curriculum change, the Cooper

Union agrees that such shall subsequently be subjected to the applicable proceedings per the Governance of each affected Faculty. Faculty participation in any such Council or Review Board shall bear no impact on considerations relating to promotion, tenure, reappointment, or other terms and conditions of employment.

ARTICLE FIFTEEN – CLASS SIZE

Except for large lectures, The Cooper Union will attempt to limit the size of classes taught by members of the bargaining unit to 30 students and will attempt to provide smaller classes when pedagogic circumstances warrant. When applicable, for the purposes of this Article, the “team teaching” concept as defined in Article Eleven (Faculty Teaching Assignments) will be utilized when computing the size of any particular class. If the size of a class exceeds the thirty (30) student limit for reasons or circumstances beyond the control of the affected member of the bargaining unit, then the appropriate Dean, in consultation with the affected member of the bargaining unit, will alleviate the situation by one of the following means: (1) redistributing the students among another section or other sections; or (2) opening an additional section; or (3) providing the instructor a grading assistant; or (4) providing the instructor released time. In the event that a class size exceeds thirty-five (35) with the written approval of the Dean, the Cooper Union will provide the instructor an overload payment of one (1) hour at the prevailing rate per faculty rank, and the instructor will receive an additional overload payment of one (1) hour at the prevailing rate per faculty rank for each increment of five (5) students in the class above thirty-five (35) (with such class size allowed only upon written approval of the Dean).

ARTICLE SIXTEEN – STUDENT SURVEYS OF BARGAINING UNIT WORK PERFORMANCE

The Cooper Union shall not sponsor, endorse or disseminate a survey of students regarding the work performance of any bargaining unit member (“The Cooper Union Sponsored Student Survey”) unless it is consistent with the criteria enumerated below:

- A. Participation.** Members of the bargaining unit are expected to disseminate end-of-semester Anonymous Student Surveys addressing course outcomes;
- B. Survey Results.** The results of any such Survey shall be given directly and exclusively to the bargaining unit member and Cooper Union administration;
- C. Formulation of Survey Questions.** Any affected member of the bargaining unit shall have an opportunity to participate in the formulation of the questions of any such Survey, in a manner that respects process per Governance in each School and the Faculty of HSS;
- D. Use of Student Surveys in Work Performance Evaluations.** The results of Student Surveys can be used in work performance evaluations only with the express consent of the affected bargaining unit member.

Notwithstanding the foregoing, the Cooper Union Administration may counsel Cooper Union students about any other independent survey of bargaining unit work performance conducted by students which fails to meet the above criteria so long as such counseling is not intended to circumvent the provisions of this Article.

ARTICLE SEVENTEEN – LIBRARIANS

- A. Rank and Work Week. (1) Rank.** Each full-time professional Librarian shall hold the rank of Assistant Librarian, Associate Librarian, or Librarian (“Bargaining Unit Librarian”). **(2) Regular Work Week.** The regular work week for each Bargaining Unit Librarian shall consist of thirty-five (35) hours per work week (Monday through Friday) to be performed at and between the hours 9 a.m. and 9 p.m. As part of their normal responsibilities, Bargaining Unit Librarians are expected to participate on committees, which may include committees or working groups for library consortia of which The Cooper Union Library is a member, or committees formed within The Cooper Union. Participation in committee work by Bargaining Unit Librarians shall be included in the thirty-five-hour work week. Hours for individual work schedules shall be determined according to staffing needs of the Library and in consultation with the Bargaining Unit Librarians. With the understanding, however, that no Bargaining Unit Librarian shall be regularly scheduled to work more than one evening (i.e., 5 p.m. to 9 p.m.) per week. Preference will be given in accordance with length of service in the Library. Bargaining Unit Librarians may be assigned in inverse order of seniority to work on any Saturday, Sunday or additional evening when emergency circumstances exist (e.g., illness, etc.), so long as The Cooper Union has made a reasonable, good faith effort to find a temporary Non-Bargaining Unit substitute to perform the Saturday, Sunday or additional evening work before making any such assignment. In the event that a Bargaining Unit Librarian performs work in excess of 35 hours (i.e., in any work week, Monday through Sunday), then any such Bargaining Unit Librarian shall receive compensatory time off at the rate of time and one-half for such additional work. Compensatory time off shall be added to the Bargaining Unit Librarian’s earned vacation. **(3) Final Exam Period Extended Hours:** In the event there is a need for Bargaining Unit Librarians to work later than 9 p.m. during Final Exam Period, the Library will seek volunteers for such work. If no volunteers accept the work, the work will be assigned at the Director of the Library’s discretion. Employees working past 9 p.m. and beyond a regular 8-hour work day will receive compensatory time off for time worked after 9 p.m. This compensatory time will not reduce or modify the requirement for the payment of overtime in the event the employee works more than 40 hours in a week.
- B. Probation.** Any individual hired as a Bargaining Unit Librarian during the period that this Agreement is in effect shall be a probationary employee (“Probationary Bargaining Unit Librarian”) for one year from the date of hire plus any additional notice as hereinafter provided. Any Probationary Bargaining Unit Librarian may be terminated at any time during the first year of the probationary period, with or without cause and without recourse. Any Probationary Bargaining Unit Librarian who is terminated pursuant to this paragraph B shall receive notice of termination prior to the actual date on which the termination is to occur, in accordance with the following provisions: (a) any Probationary Bargaining Unit Librarian who has worked three (3) months or less shall receive at least one week of notice of termination; (b) any Probationary Bargaining Unit Librarian who has worked six (6) months or less but more than three (3) months, shall receive at least three (3) weeks of notice of termination; (c) any Probationary Bargaining Unit Librarian who has worked nine (9) months or less but more than six (6) months, shall receive at least thirty (30) days of notice of termination; and (d) any Probationary Bargaining Unit Librarian who has worked more than nine (9) months, shall receive at least forty-five (45) days of notice of

termination, subject to the understandings, however, that (I) the required notice may be given at any time during a Probationary Bargaining Unit Librarian's first year of employment, (ii) the probationary period of a Probationary Bargaining Unit Librarian shall be extended for any portion of the applicable required notice period which occurs after the Probationary Bargaining Unit Librarian's first full year of employment and (iii) at the option of The Cooper Union, any Probationary Bargaining Unit Librarian may or may not be required to work for all or any portion of the applicable notice period.

- C. Promotion.** Promotion from the rank of Assistant Librarian to the rank of Associate Librarian shall occur no later than the anniversary date of employment of the Assistant Librarian upon completing two consecutive years of service in the position of Assistant Librarian. Promotion from the rank of Associate Librarian to the rank of Librarian shall occur no later than the anniversary date of employment of the Associate Librarian upon completing three consecutive years of service in the position of Associate Librarian. Notification of promotion decision shall occur no later than six (6) months from the date of application. Compensation applicable to the rank to which an individual Bargaining Unit Librarian has been promoted shall be adjusted at the time the promotion occurs. In the event that a promoted Bargaining Unit Librarian's salary prior to promotion exceeded the minimum salary for the rank to which he/she was promoted, he/she will receive a salary increase of 7.5% based on his/her pre-promotion salary. This salary increase will occur on the effective date of the promotion.

D. Vacation Options and Professional/Personal Days.

- 1. Vacation Options.** Each Bargaining Unit Librarian hired on or before August 31, 1989, shall be entitled to elect an eleven (11) month work year with twenty-two (22) days of vacation per The Cooper Union academic year (i.e., on and between September 1 through August 31 of the succeeding year) ("Option A"), or a ten (10) month work year with forty-four (44) days of vacation per The Cooper Union academic year ("Option B"). Each Bargaining Unit Librarian hired on or before August 31, 1989, may change an election to work under either Option A or Option B, as the case may be, upon giving six (6) months advance notice unless a lesser notice period is mutually agreeable in any particular instance. At the time that a new election takes effect, a Bargaining Unit Librarian who was working under Option B shall receive a proportionate wage increase in base salary to reflect the proportionate increase in work to be performed under Option A. Likewise, a change from Option A to Option B will affect a proportionate reduction in base salary. Any Bargaining Unit Librarian hired after August 31, 1989, shall be hired pursuant to Option A only. Probationary Bargaining Unit Librarians shall earn vacation on a pro-rata basis until the next succeeding September 1 following the date of hire. Vacations for all Bargaining Unit Librarians shall be scheduled in a manner consistent with the operating requirements of The Cooper Union's Library operation. Subject to the reasonable operating requirements of The Cooper Union, each Bargaining Unit Librarian may take eleven (11) days of vacation at a time or times other than the period beginning on June 1 through August 31 of an academic year. In addition, if circumstances warrant and with the approval of the Library Director, up to eleven (11) days of vacation may be carried over into the following

academic year as described above. Any Cooper Union holiday that falls within any vacation period of a Bargaining Unit Librarian shall not be counted as vacation.

2. **Professional/Personal Days.** Bargaining Unit Librarians are entitled to the equivalent of a total of three (3) workdays per academic year as professional and/or personal days.
- E. **Final Decision on Hiring and Promotion.** Subject to the provisions of Sections B and C of this Article, the final decision about either hiring or promoting a Bargaining Unit Librarian shall be made by the President or designee. Nevertheless, appropriate available senior Faculty members and Bargaining Unit Librarians shall be invited to interview prospective candidates for employment and shall be consulted prior to the making of the final decision in cases involving hiring or promotion.
- F. **Released Time and Professional Development.** Subject to the reasonable operating needs of The Cooper Union, a pool of six (6) hours of work per week shall be made available each semester as released time to the Bargaining Unit Librarians as a group ("Released Time") which may be used by one or more of the Bargaining Unit Librarians to take any appropriate level course, including seminars and workshops, relating to an individual's professional work ("Professional Development"), subject to the understanding that no individual Bargaining Unit Librarian may be absent for more than four working hours per week. The Cooper Union agrees to pay the net tuition for Professional Development for each Bargaining Unit Librarian in each academic year (i.e., September 1 through August 31 of the succeeding calendar year) that this Agreement is in effect, in an amount equal to the lesser of either \$6,000 or 60% of net tuition, as applicable, whether or not such Professional Development activities are pursued by the Bargaining Unit Librarian during authorized Released Time or at a time or times other than during the Bargaining Unit Librarians' working hours. In addition, and also subject to the reasonable operating needs of The Cooper Union, an effort will be made to provide Released Time so that each Bargaining Unit Librarian may attend one professional conference during each annual period beginning on September 1 and ending on August 31.
- G. **Sabbatical Leave. (1) Purpose.** The Cooper Union grants Sabbatical Leaves to the Librarians in the belief that, by providing opportunities for sustained scholarly or creative work or for intellectual and professional stimulation, such Leaves can enhance the effectiveness of the Librarians; **(2) Eligibility.** A librarian becomes eligible for Sabbatical Leave after six (6) years of full-time service to The Cooper Union. Following a Sabbatical Leave, a librarian becomes eligible again after six (6) years of full-time service to Cooper Union starting from the end date of the last Sabbatical Leave, or a Librarian may elect to request a one-semester (15 weeks) Sabbatical Leave as provided in paragraph G-4 of this Article. Except in extraordinary circumstances, a Librarian wishing to apply for Sabbatical Leave should notify the Library Director in writing no later than nine (9) months prior to the anticipated commencement of the Sabbatical Leave. The Library Director will pass on the application with his or her endorsement within two (2) months of the date of the initial request to the President, or the President's designee, unless the Library Director concludes, after ample consultation with the Librarians, either that the applicant's ordinary responsibilities could not be met adequately during the course of the Leave or that the Leave would seriously impair the effective functioning of the Library. The applicant will be informed by the President or the President's designee as to the approval or the denial of

the application within four (4) months of the date of the application. Effective September 1, 2001 and notwithstanding any communication from Cooper Union to the contrary, if a librarian has applied for Sabbatical Leave and must defer that leave at the behest of Cooper Union, the librarian becomes eligible for Sabbatical Leave subsequent to the deferred Sabbatical Leave six (6) years after the original intended start date of the leave. However, if a librarian becomes eligible for a Sabbatical Leave after six years of full-time service but does not apply for Sabbatical Leave at that time (i.e., if the librarian voluntarily defers a Sabbatical Leave), the librarian becomes eligible for a subsequent Sabbatical Leave six (6) years after the end date of the voluntarily deferred leave; **(3) Return to Cooper Union and Paid Employment while on Sabbatical.** A librarian who receives a Sabbatical Leave is expected to return to The Cooper Union after the expiration of the Leave. Furthermore, the recipient is expected to forgo during the course of the Leave any paid employment that might interfere with the purpose of the Leave. For example, full-time employment at another institution or business would be inappropriate for this reason; **(4) Sabbatical Term and Salary and Benefits Provision.** Sabbatical Leave for the Librarians is granted for a half-year (6 months) with full salary, or Librarians may elect to take a one-semester (15 week) Sabbatical Leave after three (3) years of full-time service. In addition, the recipient of a Leave receives all fringe benefits in accordance with their terms, and is entitled to all vacation, professional/personal days as outlined in paragraph D-1 and D-2 of this Article. The Cooper Union intends to grant Sabbatical Leaves to all eligible applicants other than those deferred under paragraph G-2 of this Article.

ARTICLE EIGHTEEN – OUTSIDE EMPLOYMENT, RESEARCH AND CONSULTING

Research, creative scholarship and professional activities (e.g., consulting, designing, participating in the work of professional societies) are encouraged, as part of the intellectual life of The Cooper Union, to the extent that they do not conflict with the Bargaining Unit member's responsibilities to the College or take precedence over them and must be in compliance with accrediting body rules. This does not include full-time teaching at another institution, which is prohibited. Bargaining Unit members are encouraged to inform the Administration of their outside activities when the Bargaining Unit member believes that such knowledge might add to the intellectual environment at The Cooper Union.

ARTICLE NINETEEN – SABBATICAL LEAVE

- A. Purpose.** The Cooper Union grants Sabbatical Leaves in the belief that, by providing opportunities for sustained scholarly or creative work or for intellectual stimulation, such Leaves can enhance the professional effectiveness of members of the Faculty.
- B. Eligibility.** A Faculty member becomes eligible for sabbatical leave in accordance with the options described in Article 19(E) below.
- C. Notification and Response.** Except in extraordinary circumstances, a person wishing to apply for Sabbatical Leave should notify the appropriate Dean in writing. The Dean will pass on the application with his or her endorsement to the President or the President's designee unless the Dean concludes, after ample consultation with appropriate Faculty groups, either that the applicant's ordinary responsibilities could not be met adequately during the course of the Leave or that the Leave would seriously impair the collective work of the Faculty. The applicant will be informed as to the approval of the application or the

denial of the application for reasons specified in either this Section C or F below. For a Sabbatical Leave beginning in September the application must be submitted no later than November 1st of the preceding academic year. The Dean must pass on the application to the President (or designee) by December 1st and the applicant must be informed as to the approval or denial of the application by January 1st. For a Sabbatical Leave beginning in January the application must be submitted no later than April 1st of the preceding academic year. The Dean must pass on the application to the President (or designee) by June 1st and the applicant must be informed as to the approval or denial of the application by July 1st.

- D. Return to Cooper Union and Paid Employment While on Sabbatical.** Because of the essential purpose of Sabbatical Leaves, a person receiving such a Leave is expected to return to The Cooper Union after the expiration of the Leave. Furthermore, the recipient is expected to forgo during the course of the Leave any paid employment that might interfere with the purpose of the Leave. For example, full-time teaching at another institution would be inappropriate for this reason.

E. Sabbatical Terms and Salary and Benefits Provision

Effective September 1, 2015, future sabbatical leaves, whether a single semester or two semesters, will be awarded within a single academic year.

Going forward, each sabbatical cycle is seven (7) consecutive full academic years (September – August) of employment, including the academic year in which the sabbatical is taken. A faculty member seeking a sabbatical has the following options:

OPTION A: After the first six years of the cycle, a faculty member is eligible to take a sabbatical during the seventh year by choosing either (i) a full academic year sabbatical leave at 2/3's salary or (ii) a one-semester sabbatical leave at full salary during either the fall or spring semester. The next sabbatical cycle begins at the start of the next academic year after completion of the sabbatical.

OPTION B: After the first three years of the cycle, a faculty member is eligible for a one-semester sabbatical leave at 2/3's salary during the fall or spring semester of the fourth year and a one-semester sabbatical leave during the fall or spring semester of the seventh year of the cycle. The next sabbatical cycle begins at the start of the academic year following completion of the seventh year, even if a faculty member has failed to take a sabbatical in year seven.

In the event that a faculty member requests a sabbatical, and that request is denied, it will not impact the faculty member's seven-year cycle. Such a delay will result in the employee being able to take more than one sabbatical in the next seven-year cycle. However, under all circumstances, there must be at least two (2) full academic years from the conclusion of one sabbatical to the start of the next sabbatical.

During a sabbatical leave, a Faculty member will continue to receive benefits in accordance with the terms of the collective bargaining agreement.

Cooper Union will provide the CUFCT with an annual report with each faculty member's sabbatical cycle and status in the cycle.

The agreed upon status of each existing faculty member's place in the new sabbatical cycle is set forth in Exhibit J of the contract.

When a bargaining unit member takes a full semester of unpaid leave, that year in which the unpaid leave takes place shall not count as an academic year of service toward sabbatical eligibility.

- F. Minimum Number of Sabbaticals.** The Cooper Union intends to grant Sabbatical Leaves to all eligible applicants other than those deferred under paragraph C of this Article. Should the Administration conclude that financial conditions preclude its doing so for a particular academic year, however, it will nonetheless grant at least two Sabbatical Leaves for that year. In this case, the selection of the persons to receive Leave will be based on a review by the Administration of the applicants' previous leaves, the allocation of Leaves among the various Faculties and disciplines, and, if these prove inconclusive, statements solicited from the applicants about their plans for the period of the potential Leave.

ARTICLE TWENTY – LEAVES OF ABSENCE WITHOUT SALARY

A. Initial Leaves of Absence Without Salary.

- 1. Application and Response Dates.** A Faculty member may be considered for an initial leave of absence without salary ("initial leave") by submitting a written request to the appropriate Dean by February 1st for requested Fall leaves and by June 1st for requested Spring leaves. The President or the President's designee will make a good faith effort to respond to Fall requests by April 1st and Spring requests by September 15th. A Librarian may be considered for an initial leave by submitting a written request to the Library Director at least six months before it is intended to begin.
- 2. Dean's Recommendation to the President/Minimum Leave if Requested.** The appropriate Dean or Library Director will submit the application to the President or designee with his or her recommendation about whether the application for an initial leave should be either (a) granted or (b) denied because (i) the applicant's ordinary responsibilities could not be adequately met during the course of the requested initial leave, or (ii) the requested initial leave would seriously impair the collective work of the Faculty or Library or (iii) other good reason, it being the express intention of the parties that The Cooper Union shall not deny an application for an initial leave for a reason or reasons which are arbitrary or capricious and that, if requested, The Cooper Union shall grant at least one such leave each academic year.
- 3. Eligibility, Maximum Terms and Documentation.** An initial leave shall be granted to a Faculty Member for a maximum of up to two consecutive semesters. An initial leave shall be granted to a Librarian for a maximum of one year. If the Faculty member or Librarian is requesting the Leave of Absence (initial, extended, or subsequent) to perform public service, however, then the leave may be for a maximum of six (6) semesters for Faculty members or three years for Librarians. However, if the initial leave was a continuation of Sabbatical Leave, then the maximum will be four (4) semesters for Faculty members and two (2) years for Librarians. Documentation, satisfactory to the President or President's designee,

that the Bargaining Unit member is performing the public service for which leave was requested, must be provided annually or on the anniversary date on which the leave began. Failure to provide this documentation, unless excusable for good cause shown, will result in termination of the leave as indicated in the next sentence. If the Bargaining Unit member on public service leave should no longer be engaged, for whatever reason, then the leave will be terminated as of the end of the following semester. Initial leaves of absence shall be granted in accordance with seniority within a particular Faculty (i.e., within Art, Architecture, Engineering, Humanities) or within the Library, as applicable.

- 4. Denial of Request and Grievance Procedures.** Any denial of a request for an initial leave of absence under this paragraph A which results in a grievance may be submitted immediately by either party to arbitration in accordance with the rules of the American Arbitration Association pertaining to “Streamlined Arbitration” without regard to other preliminary grievance processing Steps defined in Article Thirty-Five (Grievance & Arbitration Procedures).
- B. Extended or Subsequent Leaves of Absence Without Salary.** Upon written request made by a Faculty member or by a Librarian, by the dates indicated in paragraph A above, a Faculty Member or Librarian may apply to extend a leave of absence without salary (“extended leave”) or for a subsequent leave of absence without salary (“subsequent leave”), provided: (1) At the time of application for an extended leave, the Faculty Member or Librarian expects to return to The Cooper Union after the period of the requested extended leave; (2) the Faculty Member or Librarian establishes in the application that he or she has good cause to request the extended leave or the subsequent leave; and (3) no single leave of absence, inclusive of extensions and Sabbatical Leave, may cumulatively exceed four years with the exception of Bargaining Unit Members who began their leaves of absence prior to August 31, 2005, in which case no single leave, inclusive of extensions and Sabbatical Leave may cumulatively exceed six years.
- C.** Any grievance concerning an extended or subsequent leave of absence without salary shall be subject to the terms of Article Thirty-Five (Grievance & Arbitration Procedures) through Step 2, only. Any leave under this Article shall not be counted toward tenure. An individual Faculty Member or Librarian shall not be deprived from taking an initial leave of absence without salary solely because The Cooper Union has granted an extended or subsequent leave of absence without salary to another Faculty Member or Librarian in such individual’s particular Faculty or in the Library, as applicable.
- D. Continuation of Benefits While on Unpaid Leave of Absence.** If a Faculty Member or Librarian is not gainfully employed during an initial, extended or subsequent leave of absence without salary, The Cooper Union shall maintain the membership of any such Faculty Member or Librarian in The Cooper Union’s group medical and group life insurance plans when permitted by and in accordance with the terms of each such insurance plan as it exists from time to time. If, however, it is determined at a future time that the continued application of this provision will cause adverse tax consequences to be suffered by other employees of The Cooper Union because of the enforcement of Section 89 or other provision of the Internal Revenue Code, then any Faculty Member or Librarian who is on a Leave of Absence Without Salary at the time any such determination is made shall no longer have any such insurance benefit maintained by The Cooper Union but, when

permitted by and in accordance with the terms of each such insurance plan as it exists from time to time, each such insurance benefit may be maintained in his or her own behalf at no cost to The Cooper Union. It is also the express understanding of the parties that any Faculty Member or Librarian who is on an initial, extended, or subsequent leave of absence without salary who is gainfully employed shall not have any such insurance benefit maintained by The Cooper Union. To the extent applicable under this Agreement, seniority shall continue to accrue during a period of an authorized leave of absence without salary.

- E. Rank and Salary Upon Return.** When a Faculty Member or Librarian returns to work from an initial leave of absence without salary, he or she shall be reinstated to the same academic rank or position held just prior to the time the leave began, as applicable, and with the salary increase or increases for that period in which the leave occurred. If the leave of absence without salary is extended to include a second or subsequent year or years, the Faculty Member or Librarian, as applicable, shall be reinstated to the same academic rank or position held just prior to the time the leave began, as applicable, but without salary increases corresponding to the second and/or subsequent year(s) of the leave, unless it has been established prior to the start of the initial leave that the particular leave of absence without salary was for an academic purpose which directly benefited The Cooper Union's prestige or academic reputation, in which case, the Faculty Member or Librarian shall be reinstated to the same academic rank or position, as applicable, but at a salary equal to that to which he or she would otherwise have been entitled if he or she had worked during the period of leave.

ARTICLE TWENTY-ONE – CHILD CARE LEAVE

- A. Application.** Any Faculty member or Librarian who will become a parent by natural means or by legal adoption of a child under the age of two years and who will have the principal responsibility for the custodial care of the infant immediately after that event may apply for Child Care Leave pursuant to this Article. In the case of a Librarian, application for Child Care Leave must be made usually no later than ninety (90) days prior to the day on which the Child Care Leave is intended to commence. In the case of members of the full-time Faculty, application for Child Care Leave must be made no later than two (2) months before the beginning of the semester in which the Leave is expected to occur.
- B. Impact on Tenure and Probation.** In the case of a non-tenured full-time Faculty member, any Child Care Leave under this Article shall not be counted toward tenure. The tenure clock will stop for the semester(s) during which the Child Care Leave is taken. The tenure clock will resume as of the next complete semester or academic year of service, at the discretion of the affected Bargaining Unit member, after consultation with the appropriate Dean. In the case of a Librarian, any Child Care Leave under this Article shall not be counted for the purpose of completing a period of probation.
- C. Commencement of Child Care Leave.** Unless otherwise agreed by the CUFCT and The Cooper Union, in addition to any paid leave which the Faculty member or Librarian is entitled to receive for an absence during a period of disability, each Faculty member or Librarian (a) who either becomes a parent by natural means or adopts an infant under the age of two years and (b) who will have the principal responsibility for the care of such infant immediately after such event, may elect to take a Child Care Leave so long as the person expects to return to work at The Cooper Union at the end of the period of elected

Child Care Leave. A Child Care Leave of absence for full-time members of the Faculty will commence at the beginning of the semester during which the Child Care Leave is expected to occur.

- D. **Periods Excluded.** For the purposes of determining the period of Child Care Leave, the summer recess shall not be taken into account, nor any period during which the full-time faculty member is on medical disability as indicated by her physician. Proof of physical disability in the form of a physician's letter must be supplied to The Cooper Union upon request.
- E. **Length of Leave.** A Faculty member may elect to take a Child Care Leave for either one or two consecutive semesters at the option of the Faculty member. A Librarian may elect to take a Child Care Leave for a period of either six months or twelve months at the option of the Librarian.
- F. **Salary Provision While on Child Care Leave.** At minimum, a full-time member of the Faculty who is on Child Care Leave shall be entitled to be paid their base salary for any one semester over the six calendar months of payroll designated for that semester. For the purposes of administering this provision, fall semesters are to be paid from September 1 through February, and spring semesters are to be paid from March 1 through August. This benefit will be inclusive of and not in addition to NY Paid Family Leave, FMLA Leave, or any other similar paid benefits. If the second semester of Child Care Leave is taken, any portion of it that runs after such benefits are used in full would be without salary, with impact distributed evenly over the remaining calendar months of payroll designated for that semester. At minimum, a Librarian who elects a Child Care Leave shall be entitled to be paid their full wages during any four consecutive months of the Child Care Leave. This benefit will be inclusive of and not in addition to NY Paid Family Leave, FMLA Leave, or any other similar paid benefits. The remainder of the Child Care Leave that runs after such benefits are used in full shall be without pay. In order to be eligible for this salary continuation provision during Child Care Leave, the Bargaining Unit member must apply for all such benefits. The Bargaining Unit member shall receive any benefits they are eligible for, including salary coverage, while they are on medical disability.
- G. **Notification of Intention to Return to Work.** Each Faculty member who elects to take a Child Care Leave shall notify The Cooper Union forty-five (45) days in advance of the end of the first semester of the Child Care Leave whether he or she is still intending to return to work at The Cooper Union at the end of the period of Child Care Leave. Similarly, each Librarian who elects to take a Child Care Leave shall notify The Cooper Union five months after the beginning of the Child Care Leave whether he or she is still intending to return to work at The Cooper Union at the end of the period of Child Care Leave. All reasonable efforts will be made to provide sufficient temporary part-time faculty or librarian appointments so as to ensure that course work and/or ancillary duties of the Bargaining Unit member on Child Care Leave will be covered.
- H. **Benefits While on Child Care Leave.** Subject to the terms of The Cooper Union's group medical insurance and life insurance plans, during the period of Child Care Leave, The Cooper Union shall maintain the membership of any Faculty member or Librarian who is on Child Care Leave in The Cooper Union's group medical insurance and group life insurance plans in accordance with the terms of those plans as they exist from time to time.

If, however, it is determined at a future time that the continued application of this provision will cause adverse tax consequences to be suffered by other employees of The Cooper Union as a consequence of the enforcement of Section 89 or other provision of the Internal Revenue Code, then any Faculty member or Librarian who is on a Child Care Leave at the time any such determination is made shall no longer have any such insurance benefit maintained by The Cooper Union but, when permitted by and in accordance with the terms of each such insurance plan as it exists from time to time, each such Faculty member or Librarian shall be eligible to maintain each such insurance benefit in his or her own behalf at no cost to The Cooper Union.

- I. **Rank and Salary Upon Return.** When the Faculty member or Librarian returns to work at the end of the Child Care Leave, the Faculty member or Librarian shall be reinstated to the same academic rank or position held just prior to the time such Child Care Leave commenced, as applicable, and at a salary level reflecting the salary increases that would have been received by the individual if he or she had been working during the period of Child Care Leave. In addition, the returning Faculty member or Librarian will be assigned professional responsibilities which are reasonably commensurate with the same areas of specialization as those held at the time the Child Care Leave commenced. To the extent applicable under this Agreement, seniority shall continue to accrue during a period of Child Care Leave.

ARTICLE TWENTY-TWO – RETIRING EMPLOYEES

In order to encourage continuing collegial relationships between The Cooper Union and its retired employees, Full-Time Faculty who retire in the future shall be invited to official receptions and graduation exercises, including academic processions. Full-Time Faculty and Full-Time Librarians who retire in the future shall be entitled to normal physical access to the Cooper Union library and remote access to E-Mail, and in order to encourage continuing interest and participation in collegial relationships, The Cooper Union will consider any request received from retired Full-Time Faculty for the use of desk space. It is the express intention of the parties that the exercise of discretion by The Cooper Union in any matter of this kind shall not be the subject of any claim under the terms of Article Thirty-Five (Grievance and Arbitration Procedures), or otherwise.

ARTICLE TWENTY-THREE – CUFCT REPRESENTATIVES' USE OF FACILITIES

- A. **Reasonable Access and Cost.** In carrying out its business, the CUFCT shall have reasonable access to (a) Faculty and Librarian mailboxes and other interdepartmental, interoffice and interschool communication facilities and (b) reproduction and photocopying equipment. The cost of the foregoing, if any, shall be borne by the CUFCT.
- B. **Visiting CUFCT Representatives.** The Cooper Union recognizes the need for authorized CUFCT representatives to have, and agrees to grant, reasonable access to The Cooper Union for the purposes of administering this Agreement, subject only to the understanding that when any CUFCT representative other than a member enters The Cooper Union for such purposes, the representative shall follow reasonable procedures established for visitors by The Cooper Union as they may exist from time to time.
- C. **CUFCT Office Facilities.** The Cooper Union agrees to provide the CUFCT office facilities on its premises similar in size to a normal Faculty office for the use of the CUFCT solely to carry out business relating to business matters and concerns of the CUFCT and

its members. The Cooper Union shall have access to such office facilities for the purpose of maintaining the security of such office facilities and other Cooper Union property in the event of an emergency. The obligation and cost of maintaining and operating any such office facilities (e.g., secretarial help, telephone, typewriter, postage, equipment, furnishings, etc.) shall be borne by the CUFCT, and The Cooper Union shall have no responsibility for any loss, damage or liability with respect thereto. Subject to the reasonable operating needs of The Cooper Union, such office facilities may be relocated by The Cooper Union on three months' notice to the CUFCT. The CUFCT shall maintain appropriate insurance which will indemnify and hold The Cooper Union harmless against any loss, claim, damage or liability to which The Cooper Union becomes subject insofar as any such loss, claim, damage or liability derives from or is incident to the possession or use of any such office facilities by the CUFCT, its officers, employees, agents, members, guests, etc., and arises out of or is based on the act or omission or claimed act or omission of the CUFCT, its officers, employees, agents, members, guests, etc.

ARTICLE TWENTY-FOUR – BULLETIN BOARDS, WEBSITES and E-MAIL

The CUFCT shall have the right to the exclusive use of five (5) bulletin boards or portions thereof for the publication of appropriate official notices. These bulletin boards shall be reasonable in size and located in places agreed to between The Cooper Union and the CUFCT. Notices posted on these bulletin boards must be approved and initialed by the President of the CUFCT or his or her authorized designee.

In addition, The Cooper Union will provide facilities for the CUFCT to maintain a website to provide information to its members and the greater Cooper Union community. Also, in order to facilitate the timely provision of information to its members, The Cooper Union will provide the CUFCT with an e-mail address and e-mail support.

ARTICLE TWENTY-FIVE – MEETINGS

Unless both parties otherwise agree, the President of The Cooper Union, or a designee, and the President of the CUFCT, or a designee, shall meet at least twice each month to discuss and consult on matters affecting the terms and conditions of employment of bargaining unit members and on any other matter related to this Agreement.

ARTICLE TWENTY-SIX – EXCHANGE OF INFORMATION

- A. Timeliness.** Upon reasonable request, The Cooper Union or the CUFCT, as applicable, shall make available to the other, within a reasonable time, all information which the requesting party reasonably requires to administer this Agreement and which the requesting party is entitled to obtain under the provisions of the National Labor Relations Act, as amended, or other law.
- B. Newly-Hired Bargaining Unit Members, Change in Employment Status, and Annual List of Members.** The Cooper Union agrees to furnish to the CUFCT the names of newly hired members of the bargaining unit, their addresses, and social security numbers within thirty (30) calendar days of the date of employment. In addition, The Cooper Union agrees to notify the CUFCT of all changes in the employment status of members of the bargaining unit within thirty (30) calendar days after the date of the change. The Cooper Union also agrees to furnish to the CUFCT a complete list of the names of the members of the

bargaining unit, their addresses and social security numbers, on or before the last day of the first month of each academic year.

- C. **Written Communication.** All written communications from The Cooper Union to the CUFCT shall be sent or delivered to the President of the CUFCT or to a designee. All written communications from the CUFCT to The Cooper Union shall be sent or delivered to the President of The Cooper Union or to a designee.

ARTICLE TWENTY-SEVEN – BARGAINING UNIT SIZE

During the life of this Agreement, the overall size of the bargaining unit shall not be reduced permanently below 56, except that if economic or academic necessity requires a reduction in the number of permanent bargaining unit positions, total non-bargaining unit teaching-hours and librarian work-hours will be reduced in comparison with total bargaining unit teaching-hours and librarian work-hours so as to restore the ratio between them as existed on April 9, 1987. For the purposes of determining whether a permanent reduction has occurred, any temporary absence of any member of the bargaining unit who is away on any form of temporary leave (e.g., Sabbatical Leave, Unpaid Leave of Absence, Child Care Leave, Illness, Vacation, et al.) shall not be counted as a permanent reduction. Unless otherwise agreed by the parties, in the event of a resignation, retirement, death or other termination of employment of a member of the bargaining unit at any time during the period beginning on July 1 through November 15 of the succeeding academic year, the proportional calculation to determine whether there has been a permanent reduction in the overall size of the bargaining unit shall be made as of the beginning of the academic year following the particular November 15. If any such termination occurs at any time after November 15 through June 30, then the required proportional calculation shall be made as of the beginning of the second academic year following the date of the termination.

ARTICLE TWENTY-EIGHT – CHECKOFF AND UNION SECURITY

- A. Upon receipt of a bargaining unit member's written authorization (specimen copy of which is annexed hereto as Exhibit B), which shall not be irrevocable for more than one year or beyond the termination date of this Agreement, whichever occurs sooner, The Cooper Union shall deduct from such employees' salaries in accordance with this Agreement, such employees' CUFCT dues or Agency Fees as certified by the Treasurer of the CUFCT and remit same to the duly authorized representative of the CUFCT, together with a list of the names of the employees from whose salaries deductions were made. Such a written authorization may be revoked by the employee by written notice to The Cooper Union. In absence of such notice of revocation, the authorization shall be automatically renewed for an additional yearly period or until the end of the collective bargaining agreement, whichever occurs sooner. The Cooper Union agrees to transmit to the CUFCT dues and Agency Fees deducted for a pay period in a timely manner, by the 15th day of the month immediately following the last workday of the applicable pay period. The Cooper Union shall furnish information relative to employees' salary changes to facilitate the CUFCT's monitoring of dues and agency fee deductions. Such information shall be furnished by the 15th day of the month immediately following the salary change. The CUFCT shall have the exclusive right of check off. The CUFCT agrees to hold The Cooper Union free from all liability in connection with dues and agency fee collections except for the lack of ordinary diligence and care in transmittal of the monies to the CUFCT.

- B.** Effective September 1, 2003 all Employees covered by the Agreement who fail voluntarily to acquire and maintain membership in the CUFCT, shall be required as a condition of continued employment to pay to the CUFCT each month, beginning no later than thirty-one (31) days after the date of their employment, or the ratification of the Agreement, whichever is later, an Agency Fee (a service charge as a contribution toward the cost of administration of the Agreement and the representation of Employees). The amount of such Agency Fee shall be not more than the amount uniformly required to be paid as dues by those Employees who choose to become members of the CUFCT. The CUFCT agrees that it will indemnify and hold Cooper Union harmless from any damages and/or costs and expenses sustained by reason of any action taken by Cooper Union under this Section B.

ARTICLE TWENTY-NINE – CONVENTIONS

At no expense to itself, The Cooper Union shall permit two members of the bargaining unit to attend regularly scheduled conventions of the CUFCT's affiliates (i.e., NYSUT, AFT, AFL-CIO) which occur during any academic year during which this Agreement is in effect without loss of pay or any other benefit covered by this Agreement, on the understanding that any such employee whose work will be interrupted by reason of attending any such convention has the responsibility to inform the appropriate Dean or administrator sufficiently in advance of the convention about the nature of such absence and, in addition, to take all reasonable steps necessary to insure that his or her responsibilities to The Cooper Union and its students are fulfilled.

ARTICLE THIRTY – MANAGEMENT RIGHTS

The Cooper Union retains its rights to exercise the ordinary and customary rights of management, such as hiring, directing and scheduling Faculty and Librarian work; planning, directing, and controlling operations; utilizing facilities; modifying, discontinuing, eliminating, instituting, reorganizing or combining programs or other operations; promulgating reasonable rules and regulations; and introducing any new or improved technique, method, or facility. In addition, all of the foregoing rights shall be exercised by The Cooper Union in a manner which is consistent with the express provisions of this Agreement.

ARTICLE THIRTY-ONE – NO STRIKE OR LOCKOUT

The parties agree that it is of primary importance to provide uninterrupted service to the Cooper Union Community and all those served by it. In this context, the CUFCT agrees that neither it nor any member of the bargaining unit, any employee, agent, representative or CUFCT official shall be entitled to engage in or encourage any strike, sympathy strike, sit-down, sit-in, slow-down, cessation or stoppage or interruption of work, boycott, or other interference with the operations of The Cooper Union, and, on its part, The Cooper Union agrees that it will engage in no lockout. Any activity protected pursuant to the terms of Article Two (Academic Freedom) shall not be construed to violate the terms of this Article.

ARTICLE THIRTY-TWO – PERSONNEL FILES

- A. Maintenance of Files.** Excluding external confidential letters of recommendation and all other confidential letters of recommendation prior to the ratification date of this contract which relate to matters concerning promotion, reappointment and tenure, all written data with respect to any fact or event pertaining to the employment of any member of the

bargaining unit which comes into existence following the execution of this Agreement and which The Cooper Union should reasonably expect to rely on in the processing of a grievance (under that article), shall be required to be reduced to writing and placed in the appropriate individual's personnel file within sixty (60) days from the time of such fact or event or within sixty (60) days from the time that The Cooper Union should reasonably have become aware of that fact or event, whichever is later. A central personnel file will be kept in the office of the Administrative officer designated by the President. In addition, the central personnel file should include the usual pre-employment materials such as college transcripts, letters of application, curriculum vitae, evaluation reports, correspondence and copies of materials reflecting professional developments and achievements.

- B. Notification of Material Being Placed in File.** Each member of the bargaining unit shall be informed when material prepared by someone other than the affected individual is placed in his or her file, and shall be provided with a copy of the material upon request and shall have the right to append or affix his or her comments to the file.
- C. Right to Inspect File.** Upon reasonable notice, but in no event less than forty-eight (48) hours before the requested inspection, a member of the bargaining unit (in the company of his or her CUFT representative if so desired) may inspect his or her file at a reasonable time during normal business hours and may secure copies of any materials contained therein. The file may also be opened to duly authorized personnel who are charged with responsibility in the areas of evaluation, promotion, tenure and reappointment. Statements received in connection with an employee's initial appointment, however, shall not be available for inspection, on the understanding that after the event of employment, such statements shall be placed in a sealed envelope which may be opened only by the President or Chief Academic Officer, and on the further understanding that no copy of any such statement shall be transmitted to any other person unless the affected member of the bargaining unit makes a prior written request to the Administration.
- D. Only File Maintained.** No other personnel file shall be maintained by The Cooper Union covering members of the bargaining unit.
- E. Numbering of Documents.** Each document placed in a bargaining unit member's personnel file shall be numbered sequentially in the order that each is placed therein.
- F. Anonymous Material.** No anonymous material may be placed in the personnel file. Upon receipt of anonymous material by any officer of The Cooper Union, the material will be forwarded to the Chief Academic Officer. This Officer will date the material and will inform the unit member of the receipt of such material and will give the unit member a copy of the material. The material will then be placed in a sealed envelope, which will be kept in the office of the Chief Academic Officer. The unit member will be informed of the original source at The Cooper Union of such material. There will be no distribution of such material.

ARTICLE THIRTY-THREE – DISCIPLINE

- A. Discipline Notice.** All matters involving discipline, including discharge in the cases of librarians and non-tenured faculty, shall be for just and sufficient cause. No discipline

notice (including a warning notice) shall be valid unless it is in writing and states the specific grounds and circumstances on which it is based.

- B. Failure to Protest.** The failure of a member of the bargaining unit or the CUFCT to grieve or protest a warning notice shall not be deemed to be an admission by the member of the bargaining unit or the CUFCT that any statement in the warning notice is true.

ARTICLE THIRTY-FOUR – DISMISSAL OF TENURED FACULTY

- A. Adequate Cause.** Anyone who holds tenure at The Cooper Union may be dismissed from his/her position only for adequate cause proved by a clear preponderance of the evidence. Adequate cause shall be understood to mean any of the following:
1. professional incompetence due to either continuing physical or mental disability;
 2. professional incompetence manifested by gross neglect of duty, or grave and continued disregard of scholarly standards or professional responsibilities (advocacy of an unpopular cause or opinion shall not in itself be considered adequate cause for dismissal);
 3. conviction of a crime involving moral turpitude which is proven beyond a reasonable doubt;
 4. a demonstrably bona fide extreme financial condition at The Cooper Union that necessitates the abolition of the position held by a Faculty member. (If a tenure appointment is terminated for this reason, the dismissed Faculty member's position shall not be filled by a replacement within a period of three years, unless the released Faculty member has been offered reinstatement and has declined.)
- B. Payment Upon Termination: Physical or Mental Disability.** If the appointment of a Faculty member having tenure is terminated for the reason stated in paragraph A, subdivision 1, above, any such terminated Faculty member shall be paid each month for eighteen (18) months following the event of termination an amount equal to his or her salary at the time of termination less any amount received during each month by such Faculty member as disability compensation resulting from the employment relationship between The Cooper Union and the Faculty member, either directly or indirectly, as applicable.
- C. Payment Upon Termination: Gross Neglect and/or Criminal Activity.** If the appointment of a Faculty member having tenure is terminated for the reason stated in Section A, subdivision 2 or 3 of this Article, above, he/she shall receive his/her salary for a minimum of one month after the date of the termination.
- D. Payment Upon Termination: Financial Condition of The Cooper Union.** If the appointment of a Faculty member having tenure is terminated for the reason stated in paragraph A, subdivision 4 of this Article, above, he/she shall receive his/her salary for a minimum of twelve (12) months following the date of termination of services. A minimum of six months' notice shall be given in the case of any such termination. The Cooper Union also agrees that it will negotiate with the CUFCT about the effects of any decision made by The Cooper Union to exercise its rights under Section A, Subdivision 4 of this Article.

ARTICLE THIRTY-FIVE – GRIEVANCE and ARBITRATION PROCEDURES

- A. **Informal Discussions.** The following procedures should not be construed to limit informal discussions between a member of the bargaining unit and representatives of The Cooper Union which may be used for the purpose of resolving complaints and grievances before they achieve the status of formal grievances, on the understanding that no resolution shall be made which is inconsistent with the terms and conditions of this Agreement.
- B. **Definition of Grievance.** A grievance as used in this Article shall mean any dispute concerning the application, interpretation, or reasonableness thereof or other claimed violation of any term or condition of this Agreement other than those addressed in Article Two.
- C. **Definition of Grievant.** A grievant is understood to mean: (1) an individual member of the bargaining unit; (2) a group of members of the bargaining unit having the same grievance; or (3) the CUFCT.
- D. **Processing a Grievance.** A grievance shall be processed in each of the following successive steps between the parties involved in each step.

1. Formal Steps

Step 1. The grievance shall be presented in writing by the grievant or designee to the Dean of the grievant's Faculty or to the Library Director, as appropriate, within 45 days from the date on which the alleged grievance occurred or from the date on which the grievant reasonably should have known about the matter being grieved. The Dean or Library Director, as appropriate, shall meet with the grievant and/or his or her designee within 5 working days from the day of original presentation of the grievance. Said Dean or Library Director shall respond to the grievance in writing within 10 working days from the date of said meeting. If the grievance is not satisfactorily settled or withdrawn at Step 1, it shall be subject to the provisions of Step 2.

Step 2. Within 10 working days of receipt of the Step 1 decision, the grievance shall be presented by the grievant or designee to the Chief Academic Officer, or his or her designee. At this time the grievance shall set forth specifically the facts on which it is based, and shall also designate each portion of this Agreement claimed to have been violated. Within 5 working days from receipt of the grievance, the Chief Academic Officer shall meet with the grievant and/or designee to discuss the grievance and possible resolutions of same. Within 10 working days from date of said meeting, the Chief Academic Officer shall respond in writing. If the grievance is not satisfactorily settled or withdrawn at Step 2, it shall be subject to the provisions of Step 3.

Step 3. Within 20 working days from receipt of the Step 2 decision of the Chief Academic Officer, the CUFCT may submit the grievance to Arbitration under and in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association, as they exist from time to time. The Cooper Union and the CUFCT will accept Carol Wittenberg as the designated Arbitrator for all arbitrations under this Agreement. The expense of the Arbitration shall be borne

equally by the parties. The award of the Arbitrator shall be in writing, and shall be final, conclusive, and binding on the parties.

2. **Powers of Arbitrator.** The Arbitrator shall limit his or her decision to the application and interpretation of the provisions of this Agreement and shall have no power to add to, subtract from, or otherwise modify the provisions of this Agreement in arriving at a decision relative to the grievance presented for resolution.
 3. **Appeal.** If The Cooper Union fails to respond at any step of the grievance procedure, the CUFCT and/or the grievant may appeal the grievance to the next higher step. The time limits set forth in this article may be extended by written agreement of the parties. Any grievance not initiated or appealed in accordance with the above shall be deemed waived.
 4. **Failure to Appeal.** If a grievant which is not the CUFCT fails to appeal according to the time limits contained in the formal steps of the grievance and arbitration procedure, The Cooper Union shall so notify the CUFCT, and the CUFCT shall have an additional 10 working days after notification to appeal the grievance to the next step.
 5. **Definition of “Working Days.”** As used in this Article, the references to “working days” shall be deemed to exclude holidays, Saturdays, Sundays, and any day on which The Cooper Union is in recess, with the exception that for the purpose of calculating time periods relating to any grievance involving the discharge of an employee under the Article on Discipline, recess times shall not be excluded.
- E. **Scheduling of Hearings.** Consistent with the reasonable needs of The Cooper Union, all reasonable steps shall be taken to schedule hearings under this procedure at a time and place which will afford a fair and reasonable opportunity for the grievant and witnesses to be heard. Any employee whose work is interrupted by reason of participation in this procedure has the responsibility to inform the appropriate Dean or Library Director, as applicable, of the nature of such interruption, and to take all reasonable steps to ensure that his or her responsibilities to The Cooper Union are fulfilled.
- F. **Rights of Grievant.** At all formal steps of this procedure, a grievant and/or designee shall have the right: (1) to be present at all grievance steps and at the arbitration hearing; (2) to give testimony; (3) to call witnesses to give testimony on his or her behalf; (4) to cross-examine witnesses; (5) to be represented by counsel or other designee of the grievant’s choosing; except that The Cooper Union agrees that it will not recognize any employee or Faculty organization other than the CUFCT, who or which is the representative of any other Faculty or teachers’ organization, internal or external to The Cooper Union, which represents or seeks to represent Faculty in collective bargaining.
- G. **Representation by CUFCT.** When the bargaining unit member is not represented by the CUFCT at any step of the grievance procedure, The Cooper Union shall give formal notice within a reasonable time prior to the scheduled meeting to the CUFCT of the claimed grievance and the time and place of any hearing. The CUFCT may be present and state its views whenever the decision on the grievance would involve the application or the interpretation of this Agreement or have impact on the terms and conditions of employment. No resolution will be made which is contrary to the terms and conditions of

this Agreement. If the grievant is not the CUFCT, The Cooper Union will send copies of all appeals, decisions, and resolutions to the CUFCT at substantially the same time the grievant is notified.

- H. Access to Relevant Data and Information.** The grievant and the CUFCT shall have the right to all relevant data and information necessary to resolve the specific grievance.

ARTICLE THIRTY-SIX – MATTERS NOT COVERED

With respect to matters not expressly covered by this Agreement, The Cooper Union agrees that it will consult and negotiate with the CUFCT prior to making any change affecting, or having impact on, the terms and conditions of employment which are mandatory subjects of collective bargaining, as required under the terms of the National Labor Relations Act.

ARTICLE THIRTY-SEVEN – SUCCESSOR CLAUSE

This Agreement shall be binding on any successor, assignee or transferee of ownership and control of either The Cooper Union or the CUFCT, as applicable, and advance notice of the terms of this Agreement shall be given by the party being succeeded, transferred or assigned to any such successor, assignee or transferee.

ARTICLE THIRTY-EIGHT – SEPARABILITY

In the event any provision of this Agreement, in whole or in part, is declared to be illegal, void or invalid by any court or administrative agency of competent jurisdiction (a) all of the other terms, conditions and provisions of this Agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated in this Agreement and (b) either party on ten (10) days written notice to the other may demand that the parties enter into negotiations to attempt to negotiate a substitute provision for the provision declared to be illegal, void or invalid (“substitute interim provision”) subject to the understandings that (1) if any substitute interim provision is accepted in writing by the parties, such substitute agreement may be terminated thereafter by either party within thirty (30) days from the issuance of a subsequent judgment, order or other instrument issued by any court or administrative agency, and (2) upon any such termination, either party on 10 days written notice to the other may demand that the parties enter into negotiations in order to negotiate about a permanent substitute provision.

ARTICLE THIRTY-NINE – THE ENTIRE AGREEMENT

The parties agree that all negotiable items have been discussed during negotiations leading to this Agreement and, unless otherwise agreed to by both parties, negotiations will not be reopened on any item contained herein during the life of this Agreement. Notwithstanding the above, this Agreement may not be changed during its term except by written instrument signed by both parties hereto.

ARTICLE FORTY – NEW COMMITTEES

- A.** The parties agree to establish a Health Benefits Committee during the term of the collective bargaining agreement. This committee will meet on a regular basis to review the current Cooper Union Medical Plans and negotiate in good faith over modifications to the terms

of these plans. It is understood that members of other bargaining units covered by the Cooper Union Medical Plans may participate in this process as a joint negotiation.

- B.** The parties agree to establish a Work and Course Load Committee during the term of the collective bargaining agreement. This committee will meet on a regular basis to negotiate issues relating to work and course load matters for the bargaining unit.
- C.** The parties agree to establish an Electronic Media Committee during the term of the collective bargaining agreement. This committee will meet on a regular basis to negotiate issues relating to the use of electronic media as part of bargaining unit members' work.

ARTICLE FORTY-ONE – TERM OF AGREEMENT

- A.** Unless otherwise specifically provided, this Agreement shall be effective on September 1, 2019 and shall continue in full force and effect until August 31, 2023.
- B.** The Cooper Union and the Federation agree to enter into negotiations for a new agreement not later than the 90th day immediately preceding the date of termination of this Agreement.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year noted below.

EXHIBIT E
MEDICARE PLAN (Part B)

Retired Bargaining Unit Members are required to participate in Medicare Plan B once they become eligible. As an offset to the cost of the plan, however, The Cooper Union agrees to reimburse the bargaining unit members and their spouses, if any, for the amount of a the premium they would be paying for Part B. This would allow Medicare to be the first line of coverage and The Cooper Union Medical Plan to provide secondary coverage.

If, however, after the eligible retiree has in good faith been reimbursed by The Cooper Union but fails to participate in Medicare Plan B then that retiree would be required to carry the burden which would have been paid for by Medicare Part B.

EXHIBIT F-1
VOLUNTARY SEVERANCE INCENTIVE PLAN
(Dated May 6, 1992)

- A. Time frame.** The offer of this plan will apply to severance starting the academic years of 1992-93, 1993-94, 1994-95 and 1995-96. Members of the bargaining unit who wish to participate must notify the Provost in writing no later than June 1st, 1992 for separation starting in the 1992-93 academic year, and by May 1st thereafter [dates of application] for each of the three remaining years of the plan, of their willingness to resign effective the following August 31st [date of separation].
- B. Eligibility.** A bargaining unit member is eligible to participate in the plan if, as of the effective date of his or her separation, the member will have reached the age of 55 and will have completed 25 years of full-time service at Cooper Union. For the purpose of this article, a bargaining unit member is a person who is currently a member of the bargaining unit as of May 1, 1992, or who as formerly a member of the bargaining unit for at least two years.
- C. Maximum Number of Participants.** The maximum number of bargaining unit members who will be allowed to participate during the four plan years is as follows [plan years]: 1992-93 Academic year, 4 members; 1993-94 Academic year, 2 members; 1994-95 Academic year, 1 member; and 1995-96 Academic year, 1 member.

If less than the yearly number of bargaining unit members choose to participate in any of the first three plan years then those opportunities will be carried forward to the following plan year(s) with the provision that no more than four bargaining unit members will be accepted to participate in the Severance Incentive Plan in any one year.

If the number of applications for any one year exceeds the stated maximum or its adjustment as indicated in the previous paragraph, applicants will be accepted based on length of full-time service (seniority) at Cooper Union. In case of applicants being tied for seniority based on years of full-time service, prior part-time teaching at Cooper Union will be additional criteria for establishing seniority.

D. Benefits.

- 1. Severance.** The Cooper Union will pay to the participant a sum equal to twice the base salary earned during the member's last academic year of full-time service. In addition, if the participant would have been eligible to take a sabbatical leave during either one of the two academic years immediately following the date of separation, Cooper Union will pay the participant an additional two-thirds of the base salary described above.
- 2. Retirement.** The Cooper Union will also make a payment to the participant's regular TIAA/CREF retirement account in an amount equal to 10% of the total amount paid as severance, inclusive of sabbatical pay, if any and other payments as are applicable by law.
- 3. Medical.** The Cooper Union will continue to pay for medical insurance for the participant, his/her spouse, and eligible children, if any, during their lifetimes. However, the participant and his/her spouse must apply for Medicare as soon as each is eligible by law to do so, and coverage under the Cooper Union program will be reduced by the amount of medical coverage to which the member and spouse are entitled under Medicare.

- 4. Dental/Optical.** Neither participants nor their families will continue to receive Dental or Optical benefits after the date of separation.
- 5. Tuition Assistance.** The Tuition Assistance Plan appended to the Agreement will apply to participants with respect to tuition costs incurred during the four academic years immediately following the date of separation.
- 6. Library.** The participating member will, upon request, receive a non-transferable borrower's library card for the Bobst Library at New York University. This card will be effective for a maximum period of two academic years immediately following the date of separation. The Cooper Union library will remain accessible to the participant for life.
- E. Payment Choices.** Participants are strongly encouraged by both The Cooper Union administration and the CUFCT to seek professional financial guidance regarding the financial and tax implications of this agreement. Prior to the date of separation, the participant must elect to take payment in one of the following ways: (1) Lump-sum payment of the entire amount within 60 days of the date of separation; (2) Equal payments over a 23 month period starting with the first month immediately following the date of separation; or (3) Other possible alternative methods of payment proposed by participants will be considered by the administration provided they are proposed by the date of application.
- F. Death of Participant.** If a bargaining unit member who has been accepted for participation in this plan should die, then any unpaid severance will be paid to the participant's estate. Tuition Assistance, as provided for in IV - E., will not be affected by the member's death.

- H. (Dated December 13, 2000)

- A. Time frame.** This plan will apply to separations effective August 31, 2001, August 31, 2002, and August 31, 2003. Members of the bargaining unit who wish to participate must notify the Vice President for Business Affairs and Treasurer in writing (a) by no later than January 26, 2001 of their willingness to resign effective August 31, 2001 or August 31, 2002, and (b) during the month of January 2002, of their willingness to resign effective August 31, 2003.

- C. Maximum Number of Participants.** The maximum number of bargaining unit members who will be allowed to participate is as follows:

Resignation Effective Date

August 31, 2001 – 3 members

August 31, 2003 – 3 members

If fewer than the maximum number of members participate in the first year (i.e., resignations effective August 31, 2001), then five (5) members (rather than four (4)) will be permitted to participate effective August 31, 2002. If the total number of participants in the first two (2) years combined is fewer than seven (7), then four (4) members (rather than three (3)) will be permitted to participate effective August 31, 2003.

If the number of applications for any one year exceeds the maximum, applicants with the highest number, when age and years of full-time service are combined, will be selected. In the event of a tie, the applicant with the greater amount of full-time service will be selected. If years of full-time service are equal, the applicant with the most part-time teaching service at The Cooper Union will be selected.

- D. Benefits.** A participant is an eligible faculty member who is accepted for participation under this plan and whose resignation, in accordance with said participation, has become effective. Participants shall receive the following:
- 1. Severance.** The Cooper Union will pay to the participant a sum equal to twice the base salary earned during the member's last academic year of full-time service. Base salary shall not include any payment made in lieu of a sabbatical pursuant to Section VII below.
 - 2. Retirement.** The Cooper Union will also make a payment to the participant's regular TIAA/CREF retirement account in an amount equal to 10% of the total amount paid as severance to the extent permitted by law and the applicable TIAA/CREF plan.
 - 3. Medical.** The Cooper Union will continue to pay for medical insurance for the participant, his/her spouse, and eligible children, if any, during their lifetimes. - E. Severance Payment.** Half of the severance will be paid in a lump sum during the first week of the January following the participant's separation date. The remaining half will be paid during the first week of the following January.
- F. Death of Participant.** If a participant should die, any unpaid severance will be paid to the participant's estate. Tuition Assistance, as provided for in Article Seven, Section C, will not be affected by the member's death. The member's estate will be responsible to repay any loan made to the member in accordance with the Tuition Assistance Plan.
- G. Sabbatical.** If a participant would have been eligible to receive a sabbatical during either of the two academic years immediately following the participant's date of separation, Cooper Union will pay the participant, in lieu of the sabbatical, an amount equal to two-thirds (2/3rds) of the base salary that the participant received during his or her last academic year of full-time service. This payment will be made on or before the participant's date of separation. It will not be included in the base salary used to calculate severance in accordance with section IV – A of this Article.
- H. Professional Advice.** Participants are strongly encouraged by both The Cooper Union administration and the CUFCT to seek professional financial guidance regarding the financial and tax implications of participating in this plan.

- K.
