

# FULBRIGHT GRANT INFORMATION SESSION WITH **SHIRA HOROWITZ,** **EE'07** **TUESDAY** **SEPTEMBER 22** **2015** **12 PM** **41 COOPER SQUARE** **ROOM 105**

**INTERESTED IN PURSUING SELF-DEFINED  
PROJECTS ABROAD?**

**WANT TO LEARN ABOUT HOW A FULBRIGHT  
GRANT CAN FUND YOUR ENDEAVOR?**

Organized by  
the Center for Career Development  
[cooper.edu/careers/fulbright](http://cooper.edu/careers/fulbright)

**THE COOPER UNION**

**Shira Horowitz** will share her experiences as a Fulbright Fellow in Stockholm, Sweden. She studied the engineering of sustainable power generation, as well as the policies and socio-economic structure that facilitates the adoption of renewable power sources at the Royal Institute of Technology. Shira also conducted research on wind generation for Vattenfall Windpower. Shira will discuss how her experiences in Sweden have helped shape her subsequent studies and career.
