students can meet with him during the open house hours
to discuss class schedules.

THE IRWIN S. CHANIN SCHOOL OF ARCHITECTURE

FOUNDATION BUILDING

School of Architecture Archive, Room 235

The mission of the Architecture Archive is to record the
School of Architecture's pedagogical history by documenting
student work, to provide students with resources that
augment and enhance their architectural education, and
to produce informative architecture and design exhibitions
and publications.

Caitlin Biggers, *Project Manager, Student Work Collection*
Chris Dierks, *Collections Manager and Grants Liaison*
Maeve FitzHoward, *Special Projects Assistant*
Steven Hillyer, *Director*

Third Floor Lobby

Slideshows of student work

Room 301: Architecture Office

Monica Shapiro, *Academic Administrator*
Jennifer Woodson, *Administrative Assistant*

Room 301A: Dean's Office

Rooms 330, 312, 313, 314

All students in the School of Architecture are provided with
individual workspace on the third floor of the Foundation
Building. First through fourth year students share a single
8,000 sq. ft. open studio; the fifth-year thesis class and

The Irwin S. Chanin School of Architecture (continued)

Master of Science in Architecture students share smaller studio spaces adjacent to the “Big Studio.” This unique environment fosters open dialog and interaction between individual students, classes and faculty. Architecture students have individual studio workspace with a full-size table for drawing, drafting, and laptop computing, as well as individual or shared worktables for reference, model building, etc. The spirit of the design studio informs and permeates the entire school, and students value its intensity.

Architecture Studio Spaces

Slideshows of student work

Room 334: Associate Dean’s Office

Hayley Eber, *Associate Dean*

Room 337: Staff Office

Mauricio Higuera, *Public Programs and New Projects Coordinator, Instructor Adjunct*

Room 430: Art and Architecture Shop

An outstanding all-college sculpture shop is located on the fourth floor. Integral to both the program and pedagogy of the School of Architecture, the art and architecture shop is equipped for projects in wood, metal, plastics, plaster and clay, and includes a bronze casting foundry.

Kevin Leonard, *Head Technician*

Eric Monasterio, *Senior Technician and Shop Coordinator*

Room 713/714: Paul Laux Digital Architecture Studio

The School of Architecture Computer Studio on the seventh floor of the Foundation Building is specifically intended to support a design curriculum that recognizes the use of computing as an instrument of investigation and practice and which urges students to explore its formal and cultural implications.

Adelya Latifulina, *Senior AST & Intune Administrator*

HUMANITIES AND SOCIAL SCIENCES (HSS)

41 COOPER SQUARE

Room 327: HSS Dean’s Office

Room 322: HSS Academic Advisor

Professor Ninad Pandit

You are invited to stop by to ask any questions about the HSS curriculum and HSS minors. We look forward to seeing you!

The Cooper Union is committed to the principle that an education in the Humanities and Social Sciences provides the ethical, social and humanistic framework crucial to personal development, professional excellence, and engaged citizenship. Through their work in the humanities and social sciences disciplines, students will gain a deeper awareness of the world in which they must live and act. Most significantly, an education in the liberal arts offers students the opportunity to become attentive to the social and humanistic implications of their professional work and to acquire the basis for a satisfying cultural and intellectual life.

THE COOPER UNION LIBRARY

FOUNDATION BUILDING, GROUND FLOOR

For over 160 years, The Cooper Union Library, Archives and Special Collections have served the creative, intellectual, scientific, and technical work of The Cooper Union community and beyond. Learn how our collections and services deepen and inform the interconnected work of our students and faculty and how the storied history of The Cooper Union and its founder, Peter Cooper, have been documented through the years.

- Meet the incredible group of humans devoted to helping you find the information you need;
- Learn about the library's special collections, online resources, and services available to support your academic and creative work;
- Enjoy the delectable confections from Cooper Alum Eugene J. (ChE'05) Candy Company;
- Explore the Cooper Union Archives to learn more about this amazing educational institution, its founder, Peter Cooper, and his amazing extended family;
- Listen to some of the extraordinary voices that have graced the Great Hall;
- Find a quiet spot to chill, check your messages, and catch your breath before the busy semester begins!

THE CENTER FOR WRITING

FOUNDATION BUILDING, LIBRARY (NORTHEAST CORNER, UNDER CONSTRUCTION)

The Center for Writing offers support on all types of written and spoken communication for students, faculty, and staff of the Cooper Union. We're here to help you revise a chemistry lab report, talk through and write about your art-making or architecture practice, or craft effective grant proposals. Above all, you should come see us to find a welcoming space where your reading, writing, and thinking process can grow.

IT LAB SPACES

Students are invited to stop by any of our IT Lab spaces to see the technology available, to say hello to our IT staff and to ask any questions they have regarding technology at Cooper Union.

The IT Lab Spaces in 41 Cooper Square and the Foundation Building support the curricular and media production needs of students, faculty and staff campus-wide. A wide range of software and hardware is provided for both classroom and drop-in use. The IT Labs support both Apple and Windows Operating Systems, laser and large-format inkjet printing (Media Lab and Architecture Studio) and 3D printing (Architecture Studio).

41 COOPER SQUARE

Room 802/803/816: Brooks Lab

Room 804/805/806: Media Lab

FOUNDATION BUILDING

Room 713/714:

Paul Laux Digital Architecture Studio

AACE LAB

FOUNDATION BUILDING, ROOM 400

The IDC Foundation Art, Architecture, Construction, and Engineering (AACE) Lab is an advanced fabrication resource offering a wide variety of new digital fabrication tools to all current students at The Cooper Union. The focus of the AACE Lab is digital and advanced fabrication. Between the AACE Lab and the wood and metal shop next door just about anything imaginable can be created.

Harrison Tyler, *Director*

Tours at Noon | 1 pm | 2 pm

NYC SAFETY AND SECURITY

41 COOPER SQUARE, ROSE AUDITORIUM

Join Cooper Union's security team to learn about personal security and how to stay safe while navigating through New York City.

The Rose Auditorium is on the lower level of 41 Cooper Square. All students are encouraged to attend.
Program begins at 4 pm

The Office of Student Affairs is located in the Residence Hall Building, 29 Third Avenue, Suite 3B.
Feel free to drop in and say hello!

Announcing the first phase of CooperConnect, which includes four sites:

CooperConnect: The hub site, where you will find campus messages, the academic calendar, upcoming campus events, Covid testing results.

CampusJobs Connect: Students can learn about and apply for on-campus work opportunities through this portal. Links to hiring documents and payroll resources are also available here.

StudentConnect: Student-centered news, information, as well as comprehensive Career Center resources, Student Care information, an Off-Campus Housing Bulletin Board, and more.

ITConnect: The place to go for technology news, support, and resources.

To access CooperConnect you will need to be logged in to your Office365 account. Once logged in, there are a few different ways to get to the sites:

- Use the link on Cooper.edu's homepage
- Type <https://cooperunion.sharepoint.com/> into your browser (then bookmark)
- Use the "waffle menu" and go to SharePoint and you'll see CooperConnect
- Use the "waffle menu" in Office365, select "all apps" and you will see CooperConnect under "Admin Selected Apps"

COOPERCONNECT has expanded to give faculty, staff, and students quick access to campus news, events, information, and resources.

Miss a campus message?

Need to know the hours for Covid testing this week?

Wondering when class registration begins?

Need tech help?

Looking for a campus job?

Looking for an off-campus apartment or a roommate?

Find it all in one place on Cooper's new intranet.

Check out the new SharePoint!
